2. The full text pertaining to the employment of a full time missionary. The Budget adopted for this program.

REPORT OF SPECIAL COMMITTEE ON ASSOCIATIONAL PROGRAM

Your committee met several times, and brought recommendations to the Executive Committee, which they approved, as follows:

1. That we have a full time Associational program, and that we seek to employ a woman to serve full time as our Associational Missionary.
2. That a clear outline of the duties of such office be prepared, to guide the Association and the worker.
3. That a budget be approved embracing the full associational program.

The budget approved by the Executive Committee will require that each church contribute an amount equal to 7¢ per month, per resident church member. The State Convention will grant us $75.00 per month toward the program.

During recent weeks the committee has been trying to get the churches support for the full time program. As of yesterday, October 15, word has come that of our 32 churches, two had voted not to support the proposed program, 23 had either voted approval or that a recommendation from the deacons was being made to approve. Seven churches had not been heard from.

Those churches voting not to support the program represent 258 resident members, and those not yet heard from represent 1150 resident members. In other words we have approval from churches representing 5100 members, which assures us of support of $432.00 from churches and $75.00 from the convention, for a total of $507.00 per month.

In the light of these facts, in behalf of your committee, I move that the Flat River Association approve the budget which is in your hand; approve the discription of the position of Associational Missionary; and name a committee to employ an Associational Missionary at the earliest possible moment.

Respectfully submitted,
Herbert W. Baucom, Jr., Chairman

Floyd Hellams, the Recommendations of the Committee's report were adopted with the exception of Recommendation No. three, which was referred to the Report of the Budget Committee. The entire report of the Executive Committee was adopted.

REPORT OF THE EXECUTIVE COMMITTEE

Your Executive Committee is composed of the active pastors of the Association, the officers of the Association, those persons who are to make reports to the Association, and eight lay members. The constitution of the Association requires that the Executive Committee shall meet at least once each quarter "to carry on the work of the Association between sessions, work out a financial budget, and present recommendations and reports to the Association."

REPORTS

1. Regular meetings held once each quarter plus one called meeting.
2. Miss Mertie Booker began her work with the Association, January 1, 1957

and is rendering a great service to our Association as she promotes and plans the work and visits the churches to render assistance.

3. Associational Brotherhood and Music Departments established, with Mr. R. E. Jernigan President of the Brotherhood and Rev. Roy T. Scoggins, Jr. Associational Music Director.

4. Mr. Sam A. Howard, for many years the able and efficient clerk of the Association resigned because of illness. His resignation was accepted with profound regret, the committee being mindful of the faithful service Mr. Howard has rendered through the years, and praying for our Lord's richest blessings upon him and his family. Rev. W. J. Edwards was elected to finish the unexpired term of Mr. Howard.

5. A committee composed of Rev. H. W. Baucom, Jr., Rev. W. J. Edwards, and Miss Mertie Booker compiled and mimeographed the statistics and pertinent information of the 1956 Associational year.

6. An Associational Missions Committee was named, composed of Rev. Floyd Hellams, chairman, Rev. J. C. Jones, Jr., Rev. Paul Mattox, Rev. E. T. Vinson, Mrs. Lonnie Nelms, Mr. Ollie Milton, Mr. R. E. Jernigan, Mr. N. W. Weldon, Mrs. Flora O. Mann.

7. A Committee was appointed to study the Constitution of the Association and suggest revisions. The committee: Rev. H. W. Baucom, Jr., Chairman, Rev. W. J. Edwards, Rev. J. C. Jones, Jr., Mrs. Flora O. Mann and Mrs. Charlie Jones.

8. The Committee on Committees was named: Rev. E. T. Vinson, Chairman, Rev. Albert Lamm, and Mrs. Franklin Gill.

9. Budget Committee named: Mr. Sam C. Hall, Chairman, Mrs. Sterling Carrington, Rev. W. J. Edwards.

10. Plans are being made for an Associational Deacon's School for February 25-27, 1958 and a school of Missions in 1960.

Recommendations

1. That the following from the 1956 proceedings and reports be included in the minutes of the Association for the year 1957:
   a. All the statistical tables.
   b. A list of our beloved dead from the 1956 letters.
   c. The full text of the matters pertaining to the employing of a full time Associational worker, including the description of the responsibilities.
   d. The budget adopted and a brief resume of the proceedings and actions taken at the 1956 annual session.
2. The Associational Clerk be requested to get the minutes of the Association to the printer not later than November 15, of each year.
3. We recommend the 1958 Associational Budget which will be presented by the Budget Committee.
4. That the Association engage in the South wide Evangelistic Crusade in the spring of 1959.
5. The Missions Committee reported that, after making a study of possible needs, there is a need for an additional Baptist church or churches in the Oxford area. We join with the Missions Committee in recommending that the association take immediate action appropriate to the establishing of a Baptist Mission in the Stovall Road area, with the following suggestions:
   a. If and when the mission is established, the membership of same be placed

in a local church until such time as the Mission becomes a regularly established Baptist Church.

b. If and when the Mission is established, some Baptist church of the Association hold the deed to the property for at least one year.
c. That this be an Associational project with all the churches contributing to its establishment, financially and otherwise.
d. That if and when the mission is established, monies contributed to the mission by its members or others will not become a part of the finances of another church.
e. That the property and building now owned by the Church of God located on the Stovall Road and now for sale be considered.

We further recommend that the Missions Committee be authorized to proceed with plans toward establishing a Baptist Mission in the Stovall Road Area.

Your moderator appreciates the good attendance at the meetings and the fine spirit of cooperation and willingness to serve on the part of those who have given of their time, their efforts, and their prayers toward the promotion of Associational affairs through the Executive Committee.

Respectfully submitted,
W. A. Mitchiner, Moderator

8. Report of the Associational Missionary, as it appears on page 17 of the Book of Reports was adopted.

REPORT OF ASSOCIATIONAL MISSIONARY

The most important unit of the Associational Program is the local church with it's pastor leading and the members following the commands of Jesus in the Great Commission.

The pastor is the key to this effort in missions. It is urgently requested that every church elect, annually, along with your other church officers a Missions Committee composed of from 3 to 5 members whose task it will be to (1) Present the Program of Associational Missions, (2) Secure financial support of the church, and (3) to disseminate information among the members of the local church in this connection.

Since I came to be your missionary on January 1st I have been in every church in the association in at least one worship service. I have spoken in 7 churches, taught 8 mission study classes involving 13 churches; taught 3 Training Union study courses; installed W.M.U. Officers in 2 churches; helped organize 1 Training Union, assisted in grading 1 Sunday School; visited 17 Vacation Bible Schools; Taught in Associational Vacation Bible School Clinic; held 149 individual conferences, 51 group conferences and 31 committee meetings; issued 2700 copies of the Flat River Baptist News; planned and moderated 37 radio programs and traveled 8,578 miles.

I attended the following meetings outside the association; State Vacation Bible School Clinic, W.M.U. State Convention, Regional Choir Festival, Regional Training Union Conference, W.M.U. Executive Council, Conference for Associational Missionaries at Caswell, W.M.U. and Home Mission Weeks at Ridgecrest,

W.M.U. Regional Institute and worked in a Sunday School Enlargement Campaign in the Elkin Association.

Respectfully submitted,
Mertie Booker, Missionary

MUSIC REPORT

Music has always been a part of divine worship, and the very best of abilities, time and planning should go into the program which develops this phase of worship activity.

The music education program of Southern Baptists has come into active being as a result of action taken by the 1944 Convention session. The Sunday School Board was requested to organize a Church Music Department and actively promote a music education program that would extend to each state, association, and church. This is being done through four general areas:

1. Music education in the Convention.
2. Music education in the state.
3. Music education in the district, association, and group.
4. Music education in the local church.

It is recommended that every association of the Southern Baptist Convention organize the music work so as to serve all the churches of the association. This organization should have the same relationship as that of the Sunday School, Training Union, and the other phases of work to the program of the association as a whole. The officers will direct a program of work that is designed to meet the needs of the churches.

In beginning this part of our associational work, an associational music director was elected early in 1957. However, in order to be most effective the work must be efficiently organized. With that end in view, a special music planning meeting for the association directed by a selected worker of the state will be held on Friday evening, October 18, at 7:00 P. M. at the Oxford Baptist Church. It is urged that the leadership from all the churches of the association be in attendance so that plans of the best sort may be laid.

Looking into the new year, it is hoped that we shall be able to hold an associational school of church music early in 1958, under the leadership of our state music secretary, Mr. Joseph O. Stroud. There are also possibilities of hymn and carol sings, and participation in the regional and state festivals.

Let us work and pray together for this new phase of our associational work.

Respectfully submitted,
Roy T. Scoggins, Jr.
Associational Music Director

13. The Report of the Chairman of Evangelism was given orally by Rev. J. C. Jones, Jr. and was adopted.
14. The report of the Associational Brotherhood was adopted.

BROTHERHOOD REPORT

The Associational Brotherhood which was organized the first of this year began its task very slowly. Associational officers were nominated, executive committee meetings were held and the first quarterly Mass meeting was held on July 1st. At this meeting the officers were elected.

Our first meeting was very good and our attendance was good. Approximately 45 men representing 8 churches were present. The next meeting was held on September 17 at the Oxford Baptist Church.

Through the fine work of our promotional vice president we were able to assist in the organizing of the Hester Brotherhood. Some 40 men joined the Hester Brotherhood during the organizational meeting.

The Flat River Associational Brotherhood at its beginning had 8 church Brotherhoods. We now have 9 church Brotherhoods. It is our prayer that the other churches will consider the Brotherhood movement and permit the association to assist in organizing a brotherhood in their church. The success of brotherhood work can be measured only by the willingness and cooperation of Christian

men and their pastors. We urge the pastors to light the spark that will enable brotherhood to become a part of their churches. Together with God we can move forward.

Until such time as we can get reports from our church brotherhoods we are unable to report on the number of men in brotherhood work. We estimate that of the 9 churches having brotherhoods, there must be about 225 men in this work.

We urge the men of all churches whether or not your church has a brotherhood to attend and support the associational brotherhood meetings.

Respectfully submitted,
R. E. Jernigan, President

15. The Report of the Associational Woman's Missionary Union was adopted.

WOMAN'S MISSIONARY UNION REPORT

In Paul's letter to the early churches we find that women of New Testament churches were busy serving. Women today want to serve their Lord also. Woman's Missionary Union has as its watchword, "Laborers together with God", and women and young people of our churches today serve their Lord through the plan of work and aims of Woman's Missionary Union.

1390 women in the Association are enrolled in a W.M.S., 171 young women are in Y.W.A., 384 girls are in G.A. and there are 422 Sunbeams.

These are growing in *World Awareness* through missionary programs, the reading and study of the missionary message of the Bible, missionary magazines and books. *Spiritual Life* is nourished and developed through the observance of the Seasons of Prayer for Foreign, Home and State Missions, promoting the use of the Calendar of Prayer in homes and meetings, and in the maintaining of Intercessory Prayer Leagues for Shut-Ins. They participate in *Christian Witnessing* in their own community through planned Community Missions and Soul-Winning visitation. *Possessions are Shared* through the bringing of Tithes and Offerings. *Youth is Educated in Missions* through providing and fostering missionary organizations for all age groups in the churches. Through a definite program of visitation, they seek to *Enlist* all the women of the churches in missionary service. *Leadership Training* is provided through regularly planned Leadership Conferences and Committee Meetings. A *Uniform System of Reporting* brings into focus what an organization is or is not doing, and stimulates its members to do their best.

One church in the association has no W.M.U. Organization of any kind. Seven have no organization for youth. Only fifteen have organizations for all age groups. There are only 483 tithers in all W.M.U. organizations. Our churches are full of unenlisted women and young people. Fields are white unto the harvest as never before. Truly,

Jesus calls us, by Thy mercies,
Saviour, may we hear Thy call,
Give our hearts to thine obedience,
Serve and love thee best of all.

Respectfully submitted,
Mrs. Lonnie Nelms, Superintendent

16. The Report of the Associational Training Union was adopted.

REPORT OF TRAINING UNION

The Baptist Training Union work is the most varied in its benefits of any organization in our Baptist Churches. It has as its definite and specified purpose that of training our people in church membership. We learn by doing and through this organization our people are making Christianity practical. They are learning to be useful Christians who are consecrated to the Lord's will. Marked spiritual growth results in the lives of those given to its work, for they soon become approved workmen who need not be ashamed of their work.

Twenty years ago our organization for training church members was known as Baptist Young Peoples Union (B.Y.P.U.) and our adults were excluded from its fellowship. Today we have more adults in training than other age groups. Our eyes are now opened and our visions are focused upon the great need for trained leadership in our churches. We have yet to find a church which has a sufficient core of trained workers.

Ten years ago we had only six training unions with a total enrolment of three hundred and eighty-four. Today we have eighteen training unions with a total enrolment of over 1200. Tabbs Creek our youngest union is now holding both our attendance and efficiency banners. Our people have produced regional and state winners in the spring tournaments. Much progress has been achieved. Could not our goal be a training union for every church in Flat River Association.

J. C. Jones, Jr.
Associational Training Union Director

17. The Report of the Associational Sunday School was adopted.

SUNDAY SCHOOL REPORT

It is with heartfelt gratitude that we come to make this annual report to the association.

On behalf of the entire staff of associational Sunday School officers, let me pledge our adherence to the ideal that our task is one of service. Our only purpose is to help the churches through proper use of their Sunday Schools to reach the lost for Christ and lead the saved to acknowledge the Lordship of Christ in daily living.

This year our association is reporting 32 churches and 32 Sunday Schools. Our Sunday School enrolment this year is 7,438, a decrease of 14 under last year.

Vacation Bible Schools were held by each of our 32 churches.

We respectfully make the following recommendations:

1. That we adopt for this year the theme, "Ye Are Witnesses."
2. That we major in our Sunday School work on more people in Bible study, more effective Bible teaching, and more people won, developed, and enlisted.
3. That the Sunday School leadership in each church in our association be urged to:

Establish a goal of 125 enrolled in Sunday School for each 100 church members.

Adopt a goal of 1 baptism for each 8 church members.

Provide a training program which will include January Bible Study Week, Preparation Week, and "Operation Home Study".

Move up the pattern of organization by starting new classes and new departments.

4. That the associational Sunday School leadership be urged to:

Enlist a complete organization.

At a clinic, train the associational Sunday School officers and plan the help for the churches, a year in advance.

Provide regular meetings for training and inspiration of the Sunday School workers in the churches.

Respectfully submitted,
Paul C. Mattox, Superintendent

28. The Report on the Baptist Hospital, as given on page 3 of the Book of Reports, was adopted.

NORTH CAROLINA BAPTIST HOSPITAL REPORT

Our North Carolina Baptist Hospital is dedicated to the service of those in need of medical care, the education of young people in various branches of medical service, and the bearing of a Christian witness throughout North Carolina and the world.

Once more it has set a new record in its ministry to sick people. Last year it provided 123,000 days of bed care for 15,784 patients. There were 61,000 visits to the out-patient clinic and 60,000 visits to the private clinics. Service patients came from 92 of the 100 counties of our State. This represents specialized medical care in 25 different fields of medicine and surgery. It represents the services of skilled medical specialists and special equipment in each of these fields. It represents a medical staff and equipment which, because of the many skills and the large investment involved, cannot be provided in such a medical center. It provided medical service of the highest order for our people in North Carolina, whatever their financial circumstances may be.

The new Cobalt machine is in full operation, providing treatment for about 35 cancer patients each day. Our very fine plastic surgeon is doing highly skilled work, and our heart surgeon has performed successfully some of the newest and most difficult heart operations known. These services are typical of those offered by our Baptist Hospital.

If a person wishes to go to the Baptist Hospital for treatment, it is necessary that an appointment be made in advance. When an appointment is requested, accurate information must be given as to the general nature of the patient's problem and whether he needs to go through the out-patient clinic, rather than as a private or full-pay patient. The out-patient department is open to persons who are not able to pay the full cost of their medical care. In cases of emergency, or the need for immediate hospitalization, a local physician should always call or write the hospital in order that he may give the medical information required before the proper arrangements can be made. If a person will not be able to pay his full hospital bill when he leaves the hospital, definite financial arrangements should be made when he is admitted to the hospital and not left until later. This can prevent misunderstanding and unnecessary hardship.

It appears now that our churches of the State have made their largest Mother's Day offering this year. We are grateful for this because the needs for help have been greater than they have ever been before. Let us share in the ministry of our Baptist Hospital by giving generously of our prayers, our love, and our money.

In 1956 the Mother's Day offerings from the churches in our association amounted to $2,203.18, and in 1957 $2,183.00.

Respectfully submitted,
Mrs. Casper Critcher

29. The Report on Relief and Annuity by Mrs. H. B. Williams, and appearing on page 2 of the Book of Reports, was adopted.

RELIEF AND ANNUITY BOARD REPORT

The relief and annuity board has completed its 39th year of service to Southern Baptists. From its small beginning in 1918 as the "Board of Ministerial Relief and Annuities," it has grown steadily, fulfilling year by year its responsibilities as the Southern Baptist "House of Security."

Today there are nearly 16,000 Southern Baptist pastors and denominational workers actively enrolled in all of the retirement plans of the Board. During 1956 alone, the membership increased by 1,885.

Last year, the Relief and Annuity Board paid out in benefits a total of $1,946,654.83. Of this amount $1,626,211.59 was in annuity benefits received by 3,174 retired ministers and denominational workers, widows and those who are disabled. The remaining $320,443.24 went to the 1,474 aged preachers and widows on the relief rolls.

The Relief and Annuity Board is constantly seeking the answer to the problem of relief funds. The money that the Board is holding in trust for those who are members of the retirement plans to meet their future annuity payments cannot be used for current relief funds.

To meet these needs the Board can only use the funds designated as "relief." In 1956, this consisted of $186,000 from the Cooperative Program and the $143,000 from gifts and special offerings.

As long as these aged servants of God need the help of the Relief Department, the Board will seek in every possible way to supply that help. The long-range answer to the needs of relief is to prevent those needs from occuring. As pastors and denominational workers are enlisted in the retirement plans, the annuity rolls will increase and the relief rolls will decrease.

REGIONAL PROMOTION PROGRAM

In an all-out effort to enlist more people in the retirement plans, last year the Relief and Annuity Board launched a new program of regional promotion. Field representatives employed cooperatively by the Board and the various state conventions are now serving in 14 Southern Baptist states. They are able to

bring the Board's retirement program directly to the individual through personal conferences.

OFFICERS OF THE BOARD

Administrative officers of the Relief and Annuity Board are: R. Alton Reed, executive secretary; R. S. Jones, Floyd B. Chaffin and L. T. Daniel, associate secretaries; Fred W. Noe, treasurer; Owen Henley, assistant supervisor of investments; and Mrs. Mable McCartney, registrar.

Respectfully submitted,
Mrs. H. B. Williams

30. The Report on Home Missions was not made, but a motion was passed that the report be included in the minutes of the session.

HOME MISSIONS IN 1957

By John Caylor

The 1957 report of home missions must of necessity deal with the 1956 figures. At the beginning of 1957 the Home Mission Board reported 1,180 missionaries, an increase of 81 over the previous year. Professions of faith reported by the missionaries numbered 39,458, an increase of 1,983 over the previous year.

The Home Mission Board's income for 1956 was: from the Cooperative Program, $2,027,369.87; Annie Armstrong Offering, $1,574,890.61; and from designated gifts, $127,761.01: total, $3,730,027.49.

Among new personnel additions at the headquarters office are Clovis A. Brantley as assistant secretary in the Department of Direct Missions, William B. Mitchell, superintendent of Jewish work, and Wendell Belew, director of church-sponsored mission work.

Among major emphasis during 1957 the Board will continue its effort to enlist every church in an evangelistic ministry and every member to participate in soul-winning. Conservation of results will be pursued. All work of the Board is in full co-operation with all other agencies of the denomination. The "30,000 Program," with its challenge to constitute 10,000 new churches and establish 20,000 additional mission stations in seven years, will receive major emphasis not only throughout the year but for the duration of the Third Jubilee of Baptists.

Increased loan funds are greatly needed. Minority groups: Indians, Negroes, and language groups will receive major attention. The Board has set a goal of 1,050 missionaries serving minority groups by 1964.

The City Mission Program is to be enlarged with the entry by the Board into a new major city every year if possible; the rural church program had major emphasis in 1956 and efforts will be intensified constantly; pioneer areas call for extensive interest and work; special groups and needs, such as the deaf, the Jews, migrants, broken homes, juvenile delinquents, and a ministry to military personnel, challenge the best leadership of the Board's missionaries.

Promotion and education made great demands on the Home Mission Board's

staff because of increased interest, Filmstrips, motion pictures, maps, mission study books, tracts, picture packets, publicity, the magazine, and all other projected and published materials have been improved and the demands have been tremendous. Schools of Missions and assignment of home missionaries to fulfill increasing demands have afforded missionary information and inspiration.

The Chaplains Commission reported 421 chaplains on active duty and 11,074 professions of faith recorded in their ministry.

Home missionaries were instrumental in starting 729 new missions and constituting 296 new churches.

The greatest need of the Board is expressed in the single statement: We need your prayers and personal interest, a larger proportion of the church budget dollar, a wider interest in tithing, missionary volunteers committed to home missions, and a share in every Southern Baptist's consecration.

Mrs. W. Frank Currin

32. The Report on Religious Literature, appearing on page 11 of the Book of Reports, was read by Miss Lila Piper and was adopted.

REPORT ON CHRISTIAN LITERATURE

Someone has said, "If you want to enlist people in any cause you must first inform their heads." Nothing has yet been found that compares with the printed page as a means of imparting knowledge to the masses of people. Nations have risen and fallen by absorbing ideas implanted by the printed page which has been said to be more powerful than bombs and bullets in conquering the hearts and minds of people. Baptists have been conscious of this throughout their history, hence the outstanding selection of Christian literature available to fill every need of the individual. The aim of it all is to inform, enlist, unify, teach and inspire the people for greater service in the work of the Lord.

We have the Christian literature available! Now let us promote the use of it in our homes and churches. A few of our Flat River churches are creating a church library which will surely be a blessing to their membership and their organizational work. Many of our churches are providing their homes with our North Carolina Baptist weekly, The Biblical Recorder, through the every-

member plan. This is as it should be, however if your church is failing to do this then it is your duty to subscribe individually or through a club. The Biblical Recorder belongs in your home! You are a Baptist, you may consider yourself a good Baptist, but you can't be an informed Baptist unless you have access to your state paper because it is the only publication that covers all phases of our program. Is yours among the 61,500 homes that receives the Recorder each week?

The Scripture says, "My people perish for lack of knowledge." (Hosea 4:6) There is no lack of Baptist knowledge among readers of the Recorder. Some of you are saying that you have no time for reading, but did you know that on an average you and your family are buying more reading material today than ever before in history. Not all that is bought is Christian or even informative. Some of it is simply "trash".

We repeat that our North Carolina Biblical Recorder brings each week an over-all picture of our Baptist Program. To supplement this we have coming from Baptist presses many periodicals of a special nature. The Foreign Mission work is covered in the Commission. The Home Mission Magazine covers the work of that board, our North Carolina Charity and Children brings an account of the Child Care Ministry and much inspirational reading. Then there are literally scores of periodicals for the Sunday School, Training Union, Brotherhood and Woman's Missionary Union, all directed to the many age groups within each organization.

This brief glance at Baptist literature leads us to say there is no need for ignorance among our ranks when there is such a wealth of good reading material from whence comes knowledge. The primary emphasis of this 1957 Christian Literature report is that we as individuals and as churches realize the urgency of providing this literature for our people, and then that we use it and lead our families to use it.

Respectfully submitted,
Lila Piper

REPORT NORTH CAROLINA BAPTIST HOMES FOR THE AGING

This, the seventh year of operation of the Baptist Homes for the Aging, has been the greatest year of expansion, thanks to our Lord for His continued favor, and the North Carolina Baptists for their increased support.

The new Administration and Residential Building was opened June 13. All rooms are now occupied, except four in the infirmary, which are reserved for residents who will need them.

The new building increased facilities to 112 residents, counting residents at Rest Haven and the Albemarle Home. It, also, added half a million dollars to the value of the assets of the Homes for the Aging.

Another forward step was taken in July when the General Board voted unanimously to accept the offer of Don G. Matthews, Sr., Hamilton, North Carolina, to give $50,000 and land on which to build a Home for the Aging in eastern North Carolina. This fourth Home will probably add space for approximately forty additional residents, thus bringing the total capacity of all the Homes to 150 residents.

Two Wills have been probated in Forsyth County in which the Homes were remembered with sizeable gifts when received. Word has come of other Wills in which the Homes will share.

A total of about eighty-five thousand ($85,000) dollars has been received from the February Special Day Offering. This represents an average gift of ten (10¢) cents per Baptist—850,000 in number.

The challenge facing the Homes for the Aging at present is to finish paying for the new building, although the Baptist State Convention authorized that the Homes might borrow up to One hundred, seventy-five thousand ($175,000) dollars to finish paying for the construction and equipping the new buildings on Reynolds Park Road. Actually, it was not necessary to borrow but One hundred thousand ($100,000) dollars. Surely, with all North Carolina Baptists responding with a generous Special Day Offering on the third Sunday in February, 1958, and with continued gifts coming in from other sources as they have been in the past, this balance of One hundred thousand ($100,000) dollars should be paid within the year. Accordingly, if every pastor and superintendent of the Sunday School will urge the members of each church to respond to this worthy cause, the Baptist Homes for the Aging would be free of debt by the end of the year 1958.

The residents, and all concerned with the Homes for the Aging, are deeply grateful for the support received in the past, and join with the Baptists of our state in thanking God for His favor and blessings year by year.

The state of health of the residents has been remarkably good, considering their ages, 65 to 97 years.

Respectfully submitted,
Stephen Knott

39. The Report of the Baptist Children's Home of N. C., Inc. by Mrs. Fred Averette, as it appears on page 7 in the Book of Reports, was adopted.

REPORT BAPTIST CHILDREN'S HOMES

The year 1956 was a busy one at the Baptist Children's Homes. We were able to admit to our care only one fifth of the children for whom applications were made. We had 813 applications. We could admit only 169 to some phase of our program. Certainly the other 644 were in need or their applications would not have been signed by Baptist pastors.

Through careful research by our Social Research Department, in cooperation with the pastors, many of the 644 children were placed with relatives or other agencies. Many others could not be placed and are waiting for someone to come to their rescue. It was a weighty decision for the applying pastors to say which children should fill the few vacancies.

The question often arises "How many dependent children should North Carolina Baptists provide for?" Last year we served 751, an increase of 15 over the year before. Of these 126 were supported in Foster Boarding Homes. A conservative estimate is that we should serve about 1,000 children annually. We therefore plan to expand the Foster Home program until we as a denomination start to taking care of our proportionate share of dependent children.

Another need is the Indian Orphanage at Pembroke. This Home cares for 15 or 20 children. It is located in Roberson County, in the Burnt Swamp association.

Since this Home has not been or probably cannot be adequately supported by the local association, considerable sentiment has developed among North Carolina Baptists for admitting it as a part of the Baptist Children's Homes of North Carolina, Inc. If this is done a new cottage at Pembroke will have to be built, costing $50,000 and an additional operating cost of $20,000 per year.

We believe we can get the money for the cottage through special gifts and bequests. The current support will have to come through the churches.

Our Baptist Churches have two plans for supporting the Children's Homes.

Plan I, is a combination of the once a month offering and the Cooperative Program. Through this plan the Homes receive a fixed amount. This cannot be increased or decreased except by vote of the convention.

Plan II, is the Thanksgiving Offering. Every dollar of this comes to the Children's Homes.

The only possible way for your Children's Homes to get more money to meet these challenging needs is to increase our Thanksgiving Offering in November. If every church will increase its Thanksgiving Offering ten per cent this would give us the $20,000 to support the Children at Pembroke

As our gifts go beyond this amount we will expand the Foster Home Program and care for the 644 children who had to be turned away last year. Surely the Master is not pleased with His servants until they have done their best.

Respectfully submitted,
Mrs. Fred Averette

40. The Report on Christian Citizenship by Sam L. Knott, as it appears on page 6 of the Book of Reports, was adopted.

REPORT ON CHRISTIAN CITIZENSHIP

"Righteousness exalteth a nation but sin is a reproach to any people". Prov. 14:34. We would do well to pray and meditate on this scripture. Today, sixty-one out of every hundred people in our country, are members of some church, yet crime is on the increase. The sale of liquor, beer, and wine is at an all time high. J. Edgar Hoover reports that percentage wise, there are more juvenile delinquents than ever before. Our young poople are the "dope peddlers" best customers. Graft is found in high places. Things that we once frowned upon are now permitted without protest. Have we, who call ourselves Christians lost our sense of right and wrong? We call ourselves a Christian nation, but our conduct does not prove this to be true. Our homes fail to exert the influence for good that they should. Education has not solved the problem of sin. Someone has well said, "ignorance is no longer our greatest enemy, but *unredeemed* intelligence". Communism is a menace to our way of life, but is not our greatest enemy. The sin of indifference, unbelief, compromise and conformity lie at our door. Let us rededicate ourselves to Christ, that His kingdom might come and His will be done on earth.

Respectfully submitted,
Sam L. Knott

43. The Report on Christian Education by Mrs. Brodie Jones, page 10 in the Book of Reports, was read by Mr. Jones and adopted.

REPORT ON CHRISTIAN EDUCATION IN OUR NORTH CAROLINA BAPTIST COLLEGES

Baptists of North Carolina, 825,000 of them continue to demonstrate their belief in the importance of supporting Baptist Colleges as training centers for preparing Baptist leadership. This interest is shown in the enrolment of 6,500 students, most of them who come from our Baptist homes, with approximately 800 being trained for the ministry and other full-time Christian service.

For aiding these young people in their college training the Baptists of North Carolina are contributing an average of $1.25 per person for both operating and capital outlay purposes in these colleges, for a total of $1,100,000 annually. It is our hope that in the near future it will be possible to increase the financial assistance to provide an average of $2.00 per member in our Baptist churches; certainly this is not too much to expect our people to invest in the training of our future leaders in the greatest denomination in the state.

Baptists of North Carolina should know that they are doing more to provide for the training of their young people than any of the other denominations, and yet we cannot escape the fact that of the 21,000 Baptist young people enrolled in colleges in North Carolina, only about one out of every five is able to attend one of the Baptist colleges. In addition to the training of ministers and other full-time church workers, these colleges are our chief source for Baptist doctors, lawyers, teachers and business leaders.

These seven Baptist colleges: Wake Forest, Meredith, Campbell, Chowan, Gardner-Webb, Mars Hill and Wingate, have an annual operating budget of $6,000,000, and a plant valuation of $35,000,000. We of the Flat River Baptist Association have representatives in each of these seven Baptist colleges.

In 1957, for the first time, these colleges, through the Council on Christian Education, promoted Father's Day as Christian Education Day in all Baptist churches of the state. Although the total contributions were not as much as hoped for, the average response throughout the state was most encouraging, and already plans are being made for Father's Day, Sunday, June 15, 1958, and we urge all our pastors and other friends of Christian Education to include this in their calendar of activities for the new year.

Respectfully submitted,
Mrs. Brodie Jones

44. The Moderator called attention to the Report of the American Bible Society on page 16 of the Book of Reports and made appropriate remarks concerning their work.

AMERICAN BIBLE SOCIETY

"The Bible Speaks Today" is not just a slogan. It is the experience of millions of people around the world. It is a challenge to action. The Bible must speak to more people in the Southern Baptist World Mission Year—and in all the years ahead.

If *the people of the world* are to know Jesus Christ, the one hope of men and nations, they *must have the Bible.*

Each person must have the Bible in his own language because it speaks to his heart as no other language can speak.

The Bible is the essential tool of missions and evangelism. The missionary uses it in all his work. The Bible itself is a missionary. It can go where the human missionary cannot go. It can stay when he must leave—and keep on speaking to a man's heart.

The American Bible Society helps missionaries to *translate* the Bible. It *publishes* without note or comment and *distributes* without profit, usually below cost. For the Blind it supplies scriptures in raised-letter systems and on Talking Book records.

During 1956 the American Bible Society—

—distributed throughout the world more than 15 million volumes of Scriptures.

—supplied over 13,000 Bibles and other Scriptures to Hungarian refugees coming to the U.S.A. and joined in supplying many more to refugees in Austria and other countries.

—donated nearly one million Scripture volumes for distribution by Chaplains to our Armed Forces, as a vital link between the home churches and the men in service.

—rejoiced in the translation of the Bible into more than 1,100 languages. The entire Bible has been translated and published in 210 languages; a complete Testament in 270 more; and at least a Gospel or other complete book in 629 additional languages.

SOUTHERN BAPTISTS SUPPORT THE WORK

Because the Bible Society supports mission work—and because Southern Baptist missionaries depend on the Society for Scriptures they need for distribution to their people—Southern Baptist churches give to the American Bible Society.

Remembering Hebrews 10:24, "Let us consider one another to provoke unto love and to good works"—consider these facts and figures:

In 1956, Southern Baptist Churches, with 8½ million members, gave $120,732 to the American Bible Society. Methodists, with 9½ million members, gave $174,447. They not only led in total amount of their gifts; they even gave more per member! In the words of James 3:10, "Brethren, these things ought not to be."

Southern Baptists *can lead* in support of the American Bible Society *if* every church will give. Country and village churches, $10 to $25; small city churches, $25 to $100; larger churches $100 to $200 and great city churches $200 to $500 or more per year.

45. The Report on the Cooperative Program by Leon B. Perkinson, page 15 of the Book of Reports, was adopted.

REPORT ON COOPERATIVE PROGRAM

Billy Graham wrote on March 20, 1956, in a letter to E. S. James, editor of the *Baptist Standard,* "Concerning the Cooperative Program, I believe it is the greatest means ever devised by the church for the giving of one's tithe. In private and public conversation, I support the Cooperative Program without hesitation." This conviction is shared not only by an internationally known evangelist, but by the rank and file of Southern Baptists from the Great Lakes to the Gulf, and from Maryland to California.

I am happy to report that mission gifts through the Cooperative Program increased nearly $1.3 million in 1956 over 1955 throughout the Convention. 1955 gifts were $35.7 million and 1956 gifts were $37 million.

What is the Cooperative Program? It is a plan for doing mission work. Albert McClellan has written an article which tells the story much better than statistics. May I quote from his article?:

"I am money, your tithes, your offerings given. I come from full hearts and dedicated lives. I am dollars—dollars from great fortunes, dollars from eggs sold, dollars from a day's labor in a cotton mill. Dollars from the working people of the great South and giant West. I am dedicated money. I belong to God and I am a part of the great hope for His will being done on earth. By the time I come together I am thirty-five million dollars. Yes, I am money, sacred money given freely by free people to the world's holiest cause. But I am more than money!

I am people. I am 1500 state missionaries seeking to build a church on every hill of our homeland. I am working summer and winter to strengthen the cause of Jesus Christ in every home and every community. I am 3,300 teachers in 70 colleges and seminaries endeavoring by God's help to make our nation a Christian nation. I am nearly 1100 foreign missionaries carrying the gospel to the end of the earth. I am nearly 1100 home missionaries who witness to the Indians, the Spanish, the Negro and other minorities in our own country.

Also, I am work. Hard work, laboring for long years unnoticed and without results. I am a long journey into the desert to find a lonely Papago family that needs Jesus. I am a lonely doctor in a foreign land standing beside an operating table until I could fall to the floor, ministering to the impoverished and sick millions. I am a quiet, unsung woman who waits in the night beside the beds of twenty little orphan children while they say their prayers and tell me their troubles.

Finally, I am YOU. Yes, the Cooperative Program is you. It is you poured out through what you give to the world. It is not the quantity of your gift that counts, but the quality. It is how much you give in proportion to what you can give. If you give all you can, your partnership with God is mighty. If you give with a tight, mean fist, your partnership is a denial. You have disappointed God's confidence in you as a builder of His kingdom. Yes, I am you, your voice, endeavoring to show that the world is not controlled by blind force, but spiritual power. The world does have a purpose and moral order. Yes, I am you at work everywhere and all the time to prove that He shall reign. I am Southern Baptists' greatest expression of conquest and unity. I am the Cooperative Program."

If every church in the Southern Baptist Convention increased its percentage to missions through the Cooperative Program by 2% of the total budget per year between now and 1964, it is estimated that receipts from 1957 at $43 million would increase to $189 million in 1964.

Will you do your part to bring the gospel and His ministry to a spiritually starved world?

Respectfully submitted,
Leon Perkinson

46. The Report on State Missions by Edgar Blackley, page 9 in the Book of Reports, was adopted.

REPORT ON STATE MISSIONS

Last year North Carolina Baptists baptized 32,468. With an estimated 2,000,000 lost people in North Carolina, Baptists, who constitute the largest denomination in the state, certainly ought to be letting the Lord use them to win at least 50,000 to Jesus Christ each year. We can meet this challenge through our great State Missions Program.

There are twenty-two phases of State Missions promoted by our General Board. Sunday School, Training Union and Church Development Departments. Through the Vacation Bible Schools promoted by the Sunday School Department more than $40,000 will be given through the Cooperative Program. Many tithers will be enlisted for the "Prove-me" campaign to start October 1, and to continue through December 31 of this year. The Training Union Department is a major phase of State Missions and seeks to educate our people and to train them for service through the giving of their abilities and means. The 1956 convention Annual reported 1960 churches with Training Unions. It is estimated there are now 2,000 with an enrollment approaching 200,000. Through the Church Development Department many new population centers will have Baptist churches. Hundreds of churches and pastors will get the guidance and help with teaching and training problems they need.

The newest department of State Missions Ministries started April 1, 1957 is the Department of Work with Negroes. This department seeks to plan for the training of the leadership of the negro churches, beginning with the pastor and continuing through all organizations of the local church.

The function of the Department of Evangelism is to help all the churches in the convention to maintain a warm and workable program of evangelism.

The Baptist State Convention through the budget of State Missions gives liberal support to the significant work of the Allied Church League. God depends upon us to carry the joyful news to those who wait in silence. This we are doing through various channels of work among the deaf.

The Baptist Student Union is the link between the campuses and the local churches. In this area North Carolina Baptists are charged with the responsibility of ministering to more than 20,000 students.

This year we rejoice in the united emphasis of all organizations of the church upon praying for and giving to State Missions in one offering.

Respectfully submitted,
E. L. Blackley

52. The Report on Foreign Missions by Mrs. Sterling Carrington, as it appears on page 5 in the Book of Reports, was adopted.

REPORT ON FOREIGN MISSIONS

Dr. Baker James Cauthen, our executive secretary, said, "Accelerated advance in world missions characterized 1956." One hundred twenty-one new missionaries were appointed for service over seas, the largest number ever sent out in one year, bringing the total to 1,113 missionaries serving in 38 countries.

During the past year we have entered two new fields in Africa. To East Pakistan, another new field, we have sent one missionary couple, and two more are en route. We are becoming increasingly aware of the magnitude of our world mission responsibilities, but we are constantly rebuked that we are so slow and so late. We know that we have not measured up to our knowledge of the needs and to God's expectations of His children. It is urgent that we put our every effort forward to strengthen Baptist witness by means of evangelism, church development, leadership training, and ministries to human distress.

Foreign Mission labor places a high demand upon the quality of missionaries. Let us pray earnestly for these men and women, called of God, that they may so relate themselves to their fellowmen as to render an effective and lasting witness for Christ.

We must not forget to pray that we, as Southern Baptists, will honor God with our gifts which He has so generously bestowed upon us. Our gifts, though greatly increased the past year, are not enough to meet the demands. May God help us to kindle the prayer altars, and let us see what He will do as we call upon His name.

Respectfully submitted,
Mrs. Sterling Carrington

4. The Committee on Committees was named: Rev. Dennis Larkins, Chairman; Mr. F. R. Barlowe, and Rev. Floyd Hellams.
5. A committee was named to investigate a report that land near Kerr Lake might be obtained for an associational recreational area: Rev. H. W. Baucom, Jr., Chairman; Rev. J. C. Jones, Jr., Mr. Badger Hicks and Rev. Curtis Knowles.
6. A committee was named to investigate the possibility of erecting a home with office attached for the associational misisonary: Mr. J. R. Perkinson, Chairman; Mrs. Gray Rogers, Miss Bea Clayton, Mr. W. H. Anderson, Mr. Victor Montague, Mr. Harold O'Brien.

RECOMMENDATIONS

1. That the proposed constitution for the Association be adopted.
2. That the proposed budget for 1959 be adopted.
3. The Committee on Office-Home Investigation, J. R. Perkinson, Chairman, made the following recommendation which your Executive Committee approved and recommends to the Association:
   a. That we buy or build a combination office-home for the Associational field worker.
   b. It is our recommendation we buy or build in or near the corporate limits of Oxford.
   c. That this dwelling shall contain no less than six rooms.
   d. That consideration be taken in adjusting the worker's salary in order to help defray the cost of this home. Not knowing how the present worker was employed, it is our belief that present or future workers would accept a rent-free home as part payment in salary, and we feel that the cost of traveling from home to office would definitely be a saving to the worker and would afford the worker more "take home pay."
   e. From the long range aspect, we sincerely feel that the six-room dwelling as mentioned in Item No. C would comfortably house our present worker, or most future workers, and we feel that to purchase such a dwelling, it will cost in excess of figures previously mentioned to our committee; therefore, it is our recommendation that the cost of this purchase not exceed the sum of $14,000.00.

Your Moderator is grateful for the fine spirit of cooperation on the part of those who have given of their time, their efforts, and their prayers toward the promotion of Associational affairs through the Executive Committee.

Respectfully submitted,

W. A. MITCHINER, *Moderator.*

(2) The Report on Evangelism was adopted.

EVANGELISM

Evangelism is the heart of God's work on earth. It must ever be in the foreground of all our endeavors in the churches and in the Association if we follow the New Testament pattern. Every Christian's greatest privilege and responsiblity is to let Jesus Christ work in and through us to evangelize the world. This is the Great Commission, and to carry out the Great Commission is to do the work of evangelism.

What are we doing in response to this high call from God? Let us look briefly at the record.

All churches in the Baptist State Convention of North Carolina last year had a ratio of baptisms to membership of 1 to 25. This means that on an average last year it took 25 church members a whole year to win one person to Christ. This record isn't anything that it should be, but it does represent an increase in baptisms of 4% over the preceding year. Total baptisms reported in the state in 1956 were 32,468, and in 1957 they were 33,796.

In the Flat River Association last year the ratio of baptisms to membership was one to thirty-one. In the year closing September 30, 1958, our ratio was 1 to 28.

The number of people won to Christ and baptized into the fellowship of the churches gives only a partial picture of the work of evangelism in the churches. The remainder of the picture is seen in what happens to the converts after baptism. Here statistics are not so easily compiled, but the number who will be won to Christ and baptized in the future is dependent upon the maturing of those being baptized now. A Christian grows only as he participates in witnessing for Christ. Thus the program of evangelism in a church consists of winning people to Christ and keeping them enlisted in the total work of redemption.

Next we face an unparalleled opportunity to lead all the people in the churches to engage in the total work of redemption by going all-the-way in cooperation in this continent-wide Simultaneous Evangelistic Crusade. This Crusade will be the biggest concerted effort

ever made to win the North American Continent to Christ and to experience new depths of dedication to Christ on the part of all church members. Seven major Baptist Conventions in the United States and Canada are cooperating in this Crusade. These conventions are composed of 75,000 churches which have 19,000,000 members. Here is an opportunity like we have never faced before to get into the stream of God's redeeming purpose. Surely every church in this Association will want to be a part of this great effort!

Respectfully submitted,

J. C. JONES, JR.

(3) The Report on Brotherhood was adopted.

BROTHERHOOD

The Association now has nine Brotherhoods: Amis Chapel, Franklinton, Hester, Island Creek, Oxford, Providence, Tally Ho, West Oxford, and Stovall, which was first organized September 23, 1958, with 28 members present. All of the Brotherhoods are active and have accepted sponsorship of the Royal Ambassadors. Most of the Brotherhoods had a good representation at the State Brotherhood Convention. There are two or three other churches that are thinking about organizing a Brotherhood. I believe that we have made progress in Brotherhood work during the last year.

Respectfully submitted,

J. E. RAWLS, *Promotional Vice-President.*

(4) The Report of the Training Union was adopted.

TRAINING UNION

Our Baptist Training Union is the most varied in its benefits of any organization in our Baptist Churches. It has as its definite and specific purpose "Training Our People In Church Membership." We learn to do by doing, and through this organization our people are practicing practical Christianity. We are learning to be useful Christians who are consecrated to the Lord's will. Marked spiritual growth results in the lives of those given to its work, for they soon become approved workmen who need not be ashamed of their work.

Twenty-five years ago our organization for training church members was known as Baptist Young Peoples Union (B.Y.P.U), and our adults were excluded from its fellowship of learning. Today we have more adults in Training Union than any other age group. Our eyes are now opened and our visions are focused upon the great need for trained leadership in our churches. We have yet to find a church which has a surplus of trained workers.

Ten years ago our Association had only six Training Unions with a total enrollment of 384. Today we have 14 Training Unions with a total enrollment of 1,175.

Much progress has been achieved. Could not our goal be a Training Union for every church in Flat River Association?

Respectfully submitted,

J. C. JONES, JR.

(5) The Report of the Sunday School was adopted, with the exception of recommendation No. 4. (See Item 21 (1)).

SUNDAY SCHOOL

It is with heartfelt gratitude that we come to make this annual report to the Association.

On behalf of the entire staff of associational officers, let me pledge our adherence to the ideal that our task is one of service. Our only purpose is to help the churches through proper use of their Sunday Schools to reach the lost for Christ and to lead the saved to acknowledge the Lordship of Christ in daily living.

This year our Association is reporting 32 churches and 32 Sunday Schools. Our Sunday School enrollment this year is 7,624, an increase of 186 over last year. Each of the 32 churches held a Vacation Bible School and 16 observed January Bible Study Week.

We respectfully make the following recommendations:

1. That we adopt for this year the theme: "That They Might Have Life."

2. That the Sunday School leadership of each church in our Association be urged to:

Determine to gain a minimum of 10 percent in enrollment and 15 percent in attendance.

Move up the pattern of organization by starting new classes and departments.

Follow a weekly visitation plan.

Provide a training program which will include January Bible Study Week, Preparation Week, and Operation Home Study.

Hold a Vacation Bible School and conduct a Mission Vacation Bible School if possible.

Give priority to personal witnessing.

Encourage all Sunday School workers to participate in the regular associational Sunday School meetings and programs in order that our work may be strengthened, and that, through cooperation, all churches may carry out their divine commission.

3. That the associational Sunday School leadership be urged to:

Enlist a complete organization.

At a clinic, train the associational officers and plan the help for churches a year in advance.

Plan direct associational group training schools, February, 1959.

Provide regular meetings for training and inspiration of the Sunday School workers in the churches as follows:

MONTH	DATE	PLACE	SUGGESTED EMPHASIS
November	25 1958	Franklinton	Standard of Excellence
February	24, 1959	Stovall	Evangelism
May	26, 1959	Oxford	Better Bible Teaching
August	25, 1959	Mt. Zion	1959-1960 Sunday School Program
November	24, 1959	Creedmoor	Training

4. That the Executive Committee and the Sunday School Association appoint a nominating committee three or more months in advance of the annual association meeting for the purpose of nominating an associational superintendent of the Sunday School to the Executive Committee for approval, and that the newly elected superintendent be given authority to select and enlist the other officers to be presented for approval to the Executive Committee and the Sunday School Association. This procedure is suggested in order to have the Sunday School organization completed and ready to function at the beginning of the associational year.

Respectfully submitted,
EMMETT M. PERRY.

REPORT ASSOCIATIONAL MISSIONS COMMITTEE

The Flat River Baptist Association Missions Committee has held discussion and planning meetings each quarter and has held two called meetings. The interest shown toward the work of the committee has been rather good, but many of the nine members have been unable to attend the meetings with any measure of regularity.

The Missions Committee has attempted to carry out the desires of the Association in proceeding with plans toward establishing a Baptist Mission in the Stovall Road Area of Oxford. At a joint session with the committee, the Missions Committee of the Oxford Baptist Church, in March, was given the assignment of proceeding with this project. This was in accordance with the adopted plan of having a "Mother Church" sponsor the work of the Mission and to accept the responsibilities. The Oxford Church's Mission Committee kindly accepted this assignment and has proceeded to carry it out. However, it is still expected that the Associational and State Mission funds will be available to assist in the financial load of establishing this new church, the need for which has been clearly revealed by survey done by the Oxford church.

It is the duty and privilege of not just one but each and every one of the churches in our Association to be interested in the movement for 30,000 New Churches and Missions in the Southern Baptist Convention. The 30,000 Committee of the S.B.C. has said, "Perhaps, at the present time, there is no more vital way to strengthen existing churches and to advance every phase of associational work than by enlisting all the associational forces in promoting the opening of new work wherever it is possible to do so."

Let us pray that the mission spirit in our Association may break forth, that it may be real although it may be costly, that it may be catching and hereditary, and that it may be persistent, and may spread forth throughout our Association and the world; as Jesus said "ye shall be witnesses unto Me both in Jerusalem, and in all Judea, and in Samaria, and unto the uttermost parts of the earth."

Respectfully submitted,
M. FLOYD HELLAMS, *Chairman*,
Associational Missions Committee.

(7) The Report of the Audio-Visual Aids Director was adopted.

REPORT OF VISUAL AID DIRECTOR

Some of our most effective teaching may be obtained through the use of Audio-Visual Aids. It is gratifying to note that more of our churches in our Association are making more and proper use of this very effective medium. I should like to encourage others to do the same. Two approaches to the use of Visual Aids are:

I. The Negative Approach:
   1. Visual Aids are not a substitute for other methods.
   2. Visual Aids are not solely for entertainment.
   3. Visual Aids are not a crowd-getter or a cure-all.
   4. Visual Aids are not a substitute for preparation.
   5. Visual Aids are not for the personal satisfaction of an enthusiast.

II. The Positive Approach:
   1. Use Visual Aids in teaching and training:
      (1) They make learning faster.
      (2) They make learning more permanent.
      (3) They make learning more enjoyable.
      (4) They complement and enrich other methods.
      (5) They effect changes.
   2. Use Visual Aids for specific teaching and training purposes:
      (1) To furnish background information.
      (2) To introduce an idea or subject.
      (3) To develop an idea or subject.
      (4) To explain and clarify a difficult point.
      (5) To review a lesson or unit of lessons.
   3. Use Visual Aids in other phases of church programs
      (1) Use them in worship.
      (2) Use them in evangelism.
      (3) Use them in recreation.

The Department of Audio-Visual Aids of the Baptist State Convention, Raleigh, N. C., has on file approximately 630 different 35mm filmstrips, or over 1,000 including duplicates, and 25 different 16mm sound motion pictures, of which several copies of each are available to the churches of North Carolina. Many of these are in color and may be borrowed on a *free* rental basis from the department. Included in these are films on the work of the Sunday School, Brotherhood, Training Union, Children's Activities, Christian Life, Missions, The Old and New Testaments Stewardship. Special Occasions, and all phases of our North Carolina and Southern Baptist Convention work. A *free* Audio-Visual Aids catalog describing these free rental aids may be had upon request.

Besides providing films, the Department of Audio-Visual Aids of the Baptist State Convention extends into many related fields. It is always ready and eager to give advice on Audio-Visual equipment that will meet the needs of any church. It also produces a special telecast that is seen on T.V. Channel 5 each week.

The Flat River Baptist Association owns 1 35mm projector and 1 16mm motion picture projector. These have been used extensively by the churches. They may be booked for use through the office of the Associational Missionary.

Each church may well consider the purchase of its own projector, 35mm or 16mm sound, and consider use of the many good rental films from commercial sources.

Respectfully submitted,
FLOYD HELLAMS.

(8) The Report of the Director of Music was adopted.

ASSOCIATIONAL MUSIC REPORT

There are two major things to report from the associational music ministry this year, although we would like to be able to report much more.

First, an associational school of church music was held at the Oxford Baptist Church January 20-24. It was most successful, with the enrollment reaching 197 and an average attendance of 122, in spite of a stormy closing night when attendance dropped to 68. Seventy-seven of those attending received study course credit for their work.

Plans were made for the organization of an associational choir, but due to difficulties in scheduling a rehearsal time, the choir was unable to materialize.

The second event was the associational hymn sing, also held at the Oxford Baptist Church. On Sunday afternoon, August 31, 48 people representing nine churches, joined voices to sing familiar hymns embodied in a service entitled "O Come, Let Us Worship."

Tentative plans have been laid for an Associational Carol Sing to be held in December.

ROY T. SCOGGINS.

a. Address was given by Rev. Joseph O. Stroud, Director, the Department of Music, Baptist State Convention of N. C.

(9) The Report of the Woman's Missionary Union was adopted.

W. M. U. REPORT

All through the ages women have heeded the call to serve in building the Kingdom of God. Our women have responded to the call through Christian Witnessing, Prayer, Mission Study, Community Missions, and Stewardship.

As we look back over our year's work, we give thanks to our Father for all that has been accomplished, yet there is much to be done. We need more tithers and enlistment of members. Great is the need of more Royal Service, Y. W. A. Window, and Tell magazines for our young people. Our Associational youth leaders are working with the local church counselors in promoting Christian Education.

One of our main difficulties is the matter of getting reports in on time. We are hoping for a better record in 1959.

Our purpose, to enlist and educate for missions through prayer, study, Christian witnessing and giving of self and money to support the Southern Baptist Missionary Program.

Father, we come to bring Thee loving service;
Oh, bless us now as we the cross uphold,
Striving to spread Thy word o'er earth dominion,
'Til all are gathered in the Saviour's fold.

Respectfully submitted,

MRS. BRODIE O'BRIAN, *Superintendent.*

a. Address by Mrs. W. K. McGee, President of Woman's Missionary Union, Auxiliary to the Baptist State Convention of North Carolina.

(10) The Report on the N. C. Baptist Hospital was adopted.

NORTH CAROLINA BAPTIST HOSPITAL 1958 REPORT

Our Baptist Hospital provides a well-rounded program of medical care and training under Christian guidance and influence.

It serves our people when they are sick and need specialized medical care which requires facilities beyond those available in their own communities. The Hospital works in full cooperation with our local physicians. It offers a wide range of specialized training in the different fields of medicine and surgery, in nursing, in various other fields of medical care, and in pastoral care.

Last year the Hospital provided bed care for 16,000 patients. There were 120,000 visits to the clinics and offices of the medical staff and chaplains. Service patients came from 92 of the 100 counties of the State. The services of the medical staff were given free to all service patients, and the Hospital spent more than half a million dollars in providing free care for them beyond what they were able to pay.

A service patient pays what he can of the cost of this care. To help make up the difference between what he can pay and the cost, the Hospital has some assistance from welfare agencies and the Duke Endowment for patients who can qualify, but it must depend primarily upon Mother's Day offerings. This fund can be used only in cases of real need and after the patient's family has paid all it can and all other possible help has been secured.

Two factors are forcing the Hospital to seek a largely increased Mother's Day support if it is to be able to continue such a service to our sick. First, hospital costs everywhere have increased more than 30% in the last five years. Second, as the number of North Carolina Baptists increases, the demand for this service increases.

Fortunately there has been an increase in the amount of Mother's Day offerings, also. These contributions have grown by 20% in the last five years. Yet, it is clear that only through greatly increased support by our churches can the Hospital hope to continue to give the large volume of free service it has been giving to our people.

We believe Baptists of North Carolnia will provide the necessary funds if they realize the need, for we have found that when churches acquaint their people with the need, the response is excellent. When the hospital movie and the slide film have been shown and an active effort has been made to present the Mother's Day program, offerings have been generous. Our need, therefore, is simply for our churches to inform their people of the need more effectively. We shall be happy to assist you in your efforts.

Respectfully submitted,

MRS. CASPER CRITCHER.

    A motion was carried to approve the report of the Executive Committee as amended. (Item 8 (1); Item 14 (1)).
23. The report of the Relief and Annuity Board was adopted.

RELIEF AND ANNUITY BOARD

1958 Associational Report

Since its organization 40 years ago, the Relief and Annuity Board has paid out benefits totaling nearly $27 million. In 1957 alone, $2,245,861.18 in benefits was received by more than 5,000 retired or disabled ministers and denominational leaders and widows. At the close of 1957, there were approximately 17,500 active members in the Board's various retirement plans, with nearly 20,500 churches, boards and agencies cooperating. Each year continues to show an increase in the number of retirement, disability and widow annuities. Last year 503 persons were added to the Board's annuity roll, 136 more than the previous year.

Mailing of "THE YEARS AHEAD," the Board's official publication was increased to 30,000 in February 1957. A new color film, also with the title "THE YEARS AHEAD" was produced during the year. It is being used throughout the Southern Baptist Convention at state, associational and district meetings to explain the Board's work and to show the benefits provided by the various protection and retirement plans. Presently, only 34% of our Southern Baptist ministers

are enrolled in the Annuity Board's protection program. Out of the approximately 11,000 Southern Baptist churches now participating with their pastor in this protection program, around 36% are paying both member and church dues. It is hoped our churches will give this matter some serious thought as a possible solution to giving these other preachers and their families the protection they need through the Annuity Board's Program.

The Board's financial security is dependent on the work of the Investment Department. It is this department's duty to safeguard and increase by interest additions, the funds belonging to members of the retirement plans. Last year, 97.55% of the Board's total assets were invested for this purpose. Because of the splendid program of investments the Board was able to add an additional credit of ½ of 1% to all the Board's reserves at the end of 1957. The basic rate of interest is 3%.

At the present, 190 Annuitants are receiving benefits from the Ministers Retirement Plan and one from Southern Baptist Protection Plan. Membership in the Southern Baptist Protection Plan now stands at 435 members. There are pending and in process 38 applications making a total of 473.

We are encouraged with the year's progress, but urge all pastors and workers to lead their churches to participation. Ottis J. Hagler is Secretary of Retirement Plans in North Carolina and his address is Baptist Building, Raleigh, North Carolina. He is anxious to help pastors and churches obtain the benefits of a plan in case of disability, old age, or death.

Respectfully submitted.

MRS. MARROW STOVALL

24. Address on "Forward Program of Church Finance" was given by Dr. John T. Bunn, pastor of the Braggtown Baptist Church, Durham, N. C.

25. The report on Home Missions was adopted.

HOME MISSIONS IN 1957

By JOHN CAYLOR

The Annual Report of the Home Mission Board for 1957 showed an income of slightly over four million dollars through the Cooperative Program and the Annie Armstronng Offering.

There were 1,723 missionaries, including 452 student summer missionaries who worked for ten weeks in the summer under the direction of regular missionary personnel. This was a gain of 91 missionaries for the year. Professions of faith through the services of the missionaries numbered 36,464, with 3,569 additions to the churches. In addition, the 425 Southern Baptist Chaplains reported 13,534 professions of faith in their services.

Among the new workers added to the missionary staff in 1957 were: Paul S. James, director of Southern Baptist Work in New York City; J. V. James, director of work in behalf of juvenile delinquents and broken homes; W. Bertram King, liaison worker among the Baptists in Canada; Victor T. Glass, associate secretary in the Department of Negro work; and Billy T. Hargrove, director of church surveys. Dr. C. C. Warren is jointly employed by the Home Mission

Board and the Sunday School Board for the promotion of the 30,000 Movement.

The Board has made progress on its Third Jubilee goals. In evangelism 1957 was a year of planning for the Year of Prayer in 1958 and the Year of Evangelistic Crusades in 1959. Also, a survey by Home Board staff reveals the need of 30,000 new churches now and a likely need for 60,000 missions. The goal for this year is "2,888 in 1958." Vigorous effort is put forth to increase church loan funds and to keep them in circulation in order to help new churches and strengthen older ones.

The Rural Church Program in three years exceeded the goals set for ten years. In city missions there were 64 programs in 1957. An enlarged ministry in pioneer areas showed the Home Mission Board serving the state mission boards in a ministry reaching 43 states.

A goal of 1,050 missionaries for minority groups by 1964 has been set. The increase of missonaries in that area has been 169, numbering now 776 missionaries to minority groups. The ministry to migrants, Jews, and the deaf has been intensified and the number of missionaries increased, while in Negro work the budget has been materially increased and the number of missionaries enlarged, particularly in co-operation with state mission boards in the employment of state directors of Negro work.

Schools of Missions number some 3,000 annually with a million people reached; more than 300,000 mission study books are circulated annually; and *Home Missions* has reached a circulation of 175,000, with a goal of 200,000 within the next year.

Dr. Redford suggests "a goal of 2,000 missionaries, and $1.00 per member from Southern Baptists for the support of home missions by 1964."

BAPTIST HOMES

The Homes for Aging are now in their eighth year of operation —Resthaven opened March 16, 1951; The Albemarle Home, December 7, 1953; and the Administration Building, Winston-Salem, June 13, 1957. The three Homes have facilities for 119, counting residents and helpers. The average number of residents will exceed 100.

Efforts were launched in June to raise $100,000 to match a gift of Mr. Don G. Matthews, Sr., of $50,000 and land on which to build a fourth Home for the Aging to be located at Hamilton, Martin County. It is expected that the campaign will be successfully completed this year, and the construction of the new Home will then begin. This Home will provide facilities for approximately 40 residents, giving a total capacity for all three Homes of 150 persons.

The Homes have had a good year financially. The Auditor's report for the year ending September 30, 1957 showed that the income was $268,924.58. When the new Administration Building was ready for occupancy, $103,000 was borrowed to finish paying for construction and equipment. All of this has been repaid except $20,000. Funds received from the Special Day Offering and the Cooperative Program have helped to meet the current cost of operation. The Homes have also received help from individuals and corporation gifts. The largest individual gift for the year was $40,000.

A large number of the residents have been aided financially. Less than ten per cent of the residents have given to the Homes assets sufficient to pay their cost of keep for life. Thirteen of the residents have paid the monthly rate, which is less than the actual cost to the Homes. Most of the residents are paying one-third to one-half of their cost of keep. This means, therefore, that the difference in cost is taken from funds received from denominational channels and special gifts by individuals and corporations.

Our program of minstering to the aging presents a great challenge to the 850,000 Baptists of our State. We think, first of the ever increasing number of aging friends needing larger dormitory facilities; and, secondly, of doubling the capacity of our infirmary in the Administration Building. It now accommodates fifteen patients, but we should have space for at least thirty. It is estimated that elderly people will become invalids at the rate of ten percent annually. There have been times when we did not have sufficient room for those who needed to be in the infirmary. Our aging friends must look to our Baptist constituency to meet these pressing needs.

With gratitude to all who have made our present Homes possible —churches, individuals and corporations—and with confidence that the Baptists of North Carolina will continue to care for these "old soldiers" of Christ in a deserving way, we look to the future with great hope.

NOTE: The Rev. Charles P. Burchette, Jr., began working with the Baptist Homes for Aging in May, and is living at the Albemarle Baptist Home. He will devote his efforts in the field of promotion and public relations, and will be ready to answer invitations to speak at churches and group meetings as the opportunities are given to him.

Respectfully submitted,
STEPHEN T. KNOTT.

REPORT THE BAPTIST CHILDREN'S HOMES

1. Adminstrative Changes and Expansion of Services Noted. June 30, 1958 marked the culmination of 15 years of progressive leadership by W. C. Reed with the Baptist Children's Homes of North Carolina. Under his supervision the Children's Homes experienced one of their greatest periods of building, growth and expansion of services. At present North Carolina Baptists probably provide more services for dependent children than any other similar group in America. Those associated with our child care program have, in the 73 years of its history, developed a program which is recognized as one of the best in the nation. Dr. W. R. Wagoner, of North Wilkesboro, was elected by the trustees to succeed Mr. Reed. Dr. Wagoner assumed his duties July 1, 1958.

2. Another Year of Progress. The year 1957-58 has been a fruitful one in expanding services. Since October 1, 1957, North Carolina Baptists have directly served a grand total of 753 children. In addition to these, our social workers have been able to place with relatives or other agencies more than 200 children where their needs are now being met. Each application has been investigated by case workers. During the past year the Homes were able to admit about one-fourth of the applicants. Through the dedicated resourcefulness of our social workers, many homes were re-established while others were saved from breaking.

3. Indian Orphanage Now Our Responsibilty. Last year there was pointed up the need for expanding our Foster Homes and for the care of the Indian children at Pembroke. The Baptist State Convention at its annual meeting last November voted unanimously to accept the recommendations of the Board of Trustees of the Baptist Children's Homes and to make the Odum Home at Pembroke a part of the North Carolna Baptist Child Care Program. This work, with 16 children has been under the care and support of our Homes since January 1958. Money has been set aside to build a new cottage at Pembroke for the Indian Children.

4. Financing an Expanding Program of Child Care. North Carolina Baptists have two sources for supporting the Children's Homes: SOURCE NUMBER ONE is a combination of the Once-A-Month Offering and the Cooperative Program. Through this plan the Homes receive a fixed amount. This cannot be increased or decreased except by vote of the convention. SOURCE NUMBER TWO is the Thanksgiving Offering. Every dollar marked "Thanksgiving Offering" comes to the Children's Homes. Last year an increase of 10 per cent in the Thanksgiving Offering was asked. The churches responded with a 15 per cent increase. This increase of $31,000 enabled the Homes to support the Indian work at Pembroke and at the same time to considerably expand the Foster Home Program. We have confidence that North Carolina Baptists and churches in our Association will continue to remember deserving children at Thanksgiving with a generous offering.

5. Looking Toward the Future. Two new cottages, one at Mills Home and one at Kennedy Home, will be erected during the coming year. These are being made possible by special gifts and bequests.

Each church should receive each week a bundle of CHARITY AND CHILDREN. The editor of this attractive and informative pa-

per, Mr. Marse Grant of Thomasville, will be glad to assist any church in beginning a club. All pastors and Sunday School superintendents will receive complimentary copies if they will send their names to the editor.

Let us all remember to pray for the children being served by our Children's Homes. Some carry heavy burdens which can be lightened with our prayers and our material support. May God bless the children, those who tenderly care for them, and all who support this worthy cause.

Respectfully submitted,
MRS. FRANKLIN GILL

REPORT ON CHRISTIAN LITERATURE

The disciples of Jesus were commissioned to "Go-Tell." They reached hundreds by the spoken word but when these same disciples put their conversions in writing, the outreach of their messages was multiplied millions of times, until even today we still have access to the Gospel through their written word.

The value of the printed page has been proved in recent times by the phenomenal growth of the Seventh Day Advertists and the Jehovah Witness cult, both of whom have made widespread use of literature setting forth their principles. In our world today, Communism feels the need to spend $3,400,000,000. a year to "educate" the people through reading matter.

We Baptists must be diligent in presenting our message and realize more fully that the printed page carries its impact for us too. That is why we must continue to place more and more emphasis on Christian Literature.

The Baptist State Paper—The Biblical Recorder—is of vital importance to us. Every church member needs to read and can profit greatly from the reading of the Biblical Recorder. Every individual church will profit much if their members read it weekly. An informed church member is better prepared to have a voice in church business, he is also better prepared to use his vote in governmental matters, therefore he is a better citizen of both his country and of the Kingdom of God. World Missions is the King's business and the Biblical Recorder serves as a link between the local church and World Missions.

In the current issue of The Brotherhood Journal we read, "nearly 25% of Southern Baptist are non-resident church members; another 25% live in the vicinity of their church home and are very nominal in their loyalty; still another 25% are just barely active; that leaves only 25% to be classed as dependable and to carry the load. If our churches are to reach their potential then these fringe members must be enlivened and enlisted. The state papers going into the homes of their members is one of the very best ways for the church to arouse their interest."

Southern Baptists are distributing some of the best Christian reading material that is being published in the world today, this not only applies to the Biblical Recorder and the other state papers, but to the many, many publications that are being prepared for our people. All the Flat River Churches supply a goodly amount of this lit-

erature and some of the churches supply an abundance, however, we still have a long way to go before we can become satisfied with our accomplishments along this line. After the literature has been made available, the next question is, "Are we using this reading material as we should?" Statistics reveal that an excessive amount of unsound, unsafe, filthy literature is being distributed in our midst. Let us be sure that it does not find its way into our homes. Instead let us provide nourishment for the mind that will help to build character, teach Christian principles, inform about matters of the soul, and enlist and inspire our people for greater Christian service.

LILA PIPER

REPORT ON CHRISTIAN EDUCATION

We are ever aware of the need for keeping our people informed about their colleges. Through the *Biblical Recorder, Charity and Children,* college publications, and the daily and weekly press reports we attempt to tell what is happening in all our colleges. In addition to those published statements, we provide preachers and speakers for church gatherings, associational meetings, college visitation days and numerous other means of communication. Certainly our best friends of the colleges are those who know most about them. We hope that local churches whose young people are enrolled as students in our Baptist colleges will invite these students to speak to their people. We urge pastors to keep in close touch with their students and encourage them as they face the many difficulties that arise in the work of every beginning college student. No student ever loses love for the home church which shows interest in him as a student. As Baptists we must have our colleges and our colleges must have our confidence, our love, and our support.

Beginning in 1957 Father's Day has been designated for our Christian Education Emphasis in North Carolina Baptist Colleges with a special offering for providing financial assistance for hundreds of fine students unable to attend college without such help.

The Baptist Council on Christian Education expresses the hope that through increased financial assistance through the Cooperative Program and this special Father's Day offering it will be possible for these colleges to maintain their high standards of training without increased costs to student. The costs of college education have doubled in recent years and will continue to rise; but Baptists must find someways whereby these climbing costs can be met without becoming prohibitive for our fine Baptist young people who are not always among our higher income citizens.

The example set by Happy Home Church in its observance of Christian Education Day is deserving of state-wide recognition. In response to the plan of designated giving to the college in its local area, this rural church of 119 members, led by its pastor, Rev. J.

Robert Carter, sent to Campbell College checks amounting to $125, averaging more than one dollar per member. If all Baptist churches in North Carolina had done as well, more than $800,000 could have been divided among our seven colleges.

In thinking of Baptist people in general we would remind them that our five two-year junior colleges and our two four-year senior colleges are not only good colleges from an academic standpoint but they are Christian in purpose and motivation. We believe these colleges embody the "Seven Marks of a Christian College" as follows:

1. Christian Ownership
2. Christian Administration
3. A Christian Faculty
4. Christian Students
5. Christian Ideals
6. Christian Teachings
7. Christian Service

All of our colleges are fully accredited by the *Southern Association of Colleges* and *Secondary Schools*, and are members of recognized educational associations.

Respectfully submitted,
MRS. BRODIE JONES.

THE COOPERATIVE PROGRAM

The Cooperative Program is the channel through which the offerings of each worshipper and each church flow into the world.

This program represents the love of His people for all His causes and their expression of this love through their gifts to promote the gospel around the world. Its objectives are manifold, consisting of Evangelism, Missions, Teaching, Healing and Helping the Helpless.

Here in North Carolina, The Cooperative Program is used for these purposes. Sixty percent of all contributions through the Cooperative Program is used by the Baptist State Convention for objects in this state, while forty percent is distributed to The Southern Baptist Convention. The goal for 1958 is $3,750,000 of which an estimated $650,000 will be used as follows: Homes for Children, $215,000; Expenses for Convention and General Board, Administration and Promotion, $160,000; Biblical Recorder, $45,000; Retirement Plans, $170,000; Aid to Associational Mission Program, $60,000. The balance of $3,100,000 is divided among all causes by convention action as shown below. In addition, each cause receives all amounts designated to it.

The Cooperative Program gives every Baptist and every church a chance to have some part every month in the whole program of our Master. Safe, sane, Scriptural and economical, it has already brought greater good to our Baptist cause than any other plan ever used.

Respectfully submitted,
LEON B. PERKINSON.

N. C. STATE MISSIONS REPORT

North Carolina has a population of 4,500,000 people. Less than one-half of these are affiliated with any church. Out of these perhaps one-fourth are unsaved, which means one-half of our state population is without Christ.

The Baptist denomination is the largest denomination, numbering 846,000, but about 60% of these are not dedicated to Christian service. Through our Missions Program we have a great challenge before us. Recently many of our quarter time and half time churches have gone into full time work, promoting membership in all phases of Christian service. This has created more than 100 positions for new pastors.

Reports indicate that there were 1330 more baptisms in 1957 than in 1956 in North Carolina, second only to Texas which had the largest number of baptisms in the Southern Baptist Convention.

The Baptist Summer Camps are doing a wonderful job training in leadership and inspiring those who attend to more effective Christion witnessing. State Missions seeks to work with the Department of Interracial Cooperation in helping to promote good leadership with our Negro people, which constitutes a large percentage of our population in North Carolina. Other areas of work that are promoted by our State Missions are: The Allied Church League, The Silent People, The Assembly Plants at Caswell and Fruitland, Summer Student

Work, Student Loans, Separation of Church and State and Pastoral Care Department of North Carolina Baptist Hospital. The State Missions funds are provided through Cooperative Program, Sunday School Board, Home Missions and the W.M.U.

The goal set for 1958 is $603,000 to be used to help put the gospel of Christ into the hearts and minds of all our people in North Carolina. This program is made up of 22 different ministries. All are in unity seeking to save the lost. Baptists in North Carolina have a large responsibility to spread the gospel, to help the sick and to minister to the needy for the sake of our Saviour, Jesus Christ. Let us pray and give that we may meet this challenge.

Respectfully submitted,
C. D. BLAKE.

REPORT ON FOREIGN MISSIONS

When Dr. Mathew T. Yates, whom God had chosen as a pioneer missionary to China, was in his last illness, sobbing, he said to Dr. R. T. Bryan, just arrived on the field, "So much to be done, and I can't do any of it." Seeking to comfort the dying man, Dr. Bryan said, "God can have it done." "Yes," replied Dr. Yates, "but God needs men."

God needs men and women today, who are prepared and willing to serve Him anywhere He calls.

On John Wesley's monument in Westminster Abbey are the words "God buries the workmen and carries on the work." In Exodus 1:6 we read "And Joseph died and all his brethren and all that generation." God in due time called Moses, who under God, was in reality the follow-up founder of the Hebrew Nation.

Lottie Moon, after laboring among the Chinese, would not let go her duties, until God provided three workers to take over that she might come home for rest.

Ina Belle Coleman, our beloved N. C. Missionary, has left the work in Formosa in God's hands while she lies abed in Durham, praying that God's will be done.

Dr. George W. Sadler, secretary to Europe, Africa and the Near East, has resigned his post to newly elected H. Cornell Goerner, and so God's work moves forward as others take up the torch.

Jesus said, "Ye did not choose me, but I chose you, and appointed you, that ye should bear fruit and that your fruit should abide." The bearers of the gospel must be those whom the Lord chooses. Then it is our business to send these and to back them up with our prayers and our gifts. Shame on us when it takes eighty thousand Southern Baptists to produce and send forth one missionary.

Nine million Southern Baptists need to get busy in God's kingdom enterprise, if the world's three billion people are to hear the message glorious! The world of our day is in a state of tension; on every hand, there are fears and misgivings. Our hope lies in spiritual regeneration and world peace can come only as the people of the world know the abundant life in Christ Jesus.

One of the most constructive actions taken at our S. B. C. this year was the appointment of the Committee on World Peace. We know a major objective of Christian labor is to bring peace among men. When Christ is received into the heart, one becomes a new person.

Among the newly appointed missionaries this 1958, are two from our own Association. I mention these with a great deal of pride: Rebecca and Rosalyn Knott, the lovely twin daughters of Sam and Lois Daniel Knott. With their husbands, Rev. Hugh Thomas McKinley and the Reverend Ralph Harrell and four children, they will soon set sail for Africa. Let us not forget to pray for them daily in a very special way. Dr. Baker James Cauthen states, "When a church sees one of its own young people standing for appointment as a missionary, it has come to one of its finest hours of achievement. The gift of a missionary to a needy world is beyond any other gift." The challenging is great; so is our God.

REPORT OF OBITUARY COMMITTEE

Rev. E. W. Greene, Chairman; Mrs. W. B. Pittard, Edward Woody

We, the members of the churches of the Flat River Baptist Association, realize that we have suffered a loss in these friends and co-laborers. We accept it as God's will being manifested among us. Therefore we suggest that we accept: 1st, That their lives may be a challenge to us to be more like the Master. 2nd, That we are grateful to God for the experience of having known and lived with them here on earth. 3rd, We accept their death as a challenge that we "can go to them, but they cannot come to us." As a result of this relation-

ship we shall attempt to make our years to come more Christlike than the past ones have been.

9. The report of Mrs. H. Oliver Davis, Associational Missionary was adopted.

ASSOCIATIONAL MISSIONARY

It has been my privilege to worship one or more times with each church in the association during the past year. I spoke in one church on Sunday morning on Associational Missions, participated in ground breaking and dedication services in 4 churches, taught 11 mission study classes, 2 Training Union study courses, showed films in 18 churches. Planned 52 radio programs and moderated 49 of these, taught in 4 Vacation Bible Schools and helped with plans for 5 others, held 246 individual conferences, 61 group conferences and 44 committee meetings, issued 8,399 copies of the Flat River Baptist News, traveled 11,059 miles.

I assisted in planning and promoting a clinic for Church Officers and Church Committees with 64 present from 23 churches, a WMU Leadership conference with 117 present from 22 churches, four Sunday School conferences and 4 Training Union Conferences, and a Vacation Bible School Clinic.

I attended the following regional, state, and convention-wide meetings in regard to our work. Regional WMU Conference, Associational Missionaries Conference and Baptist State Convention, 2 Regional WMU Executive Committee Meetings, State Vacation Bible School Clinic, Meeting of Baptist Hospital Representatives, WMU Annual Session, Regional Training Union Convention, Regional Sunday School Convention, WMU Associational Officers Leadership Workshop, Associational Missionaries Conference, Caswell, Home Mission Board Conference, Ridgecrest, Special Meeting for Associational Missionaries at Sunday School Board in Nashville, Special Committee of Associational Missionaries in Dr. Douglas Branch's office.

I assisted in 2 Associational WMU Leadership Conferences in other associations as Regional GA Director.

Since this is my last formal report to you as your associational missionary I want to add a word of sincere appreciation and grateful thanks to you the people of the Flat River Association for all that you have done to advance the cause of Christ here in our midst, and to the "uttermost parts". Each one of us wish we could have accomplished more. We cannot change the past but we can look to the future with a great determination and a true dedication to God to be His faithful servant in all things which pertain to the spread of the gospel.

"AND WHATSOEVER YE DO, DO IT HEARTILY, AS TO THE LORD, AND NOT UNTO MEN; KNOWING THAT OF THE LORD YE SHALL RECEIVE THE REWARD OF THE INHERITANCE: *FOR YE SERVE THE LORD CHRIST,* WHO IS THE BLESSED AND ONLY POTENTATE, THE

KING OF KINGS AND LORD OF LORDS."—Colossians 3:23-24; I Timothy 6:15

Respectfully submitted,
Mrs. H. Oliver Davis

Following the report Mrs. Davis gave remarks based on the filmstrip, "Teamed For Missions", a new production of the Home Mission Board.

10. Hymn: "Saviour, Like a Shepherd Lead Us."

11. ASSOCIATIONAL REPORTS:
(1) The Report on the Sunday School was adopted.

SUNDAY SCHOOL

This year our association is reporting 31 Sunday Schools (Franklinton transferred) in our 31 churches and also a Sunday School in the Delrayno Chapel, with a total enrolment of 7,291. Each of the 31 churches held a vacation Bible School with a total enrolment of 2,903. Delrayno Chapel also held a Vacation Bible School. Sixteen churches observed January Bible Study Week.
We respectfully make the following recommendations:
1. That we adopt for this year the theme, "TEACHING THEM - - - ALL THINGS".
2. That the Sunday School leadership in each church in our association be urged to:
Determine to gain a minimum of 15% in enrolment and 15% in attendance.
Move up the pattern of organization by starting new classes and departments.
Follow a weekly visitation plan.
Provide a Training Program which will include January Bible Study Week, Preparation Week, and Operation Home Study, and Bible Survey Plan for Sunday School workers.
Hold a Vacation Bible School and conduct a mission Vacation Bible School if possible.
Give priority to personal witnessing.
Encourage all Sunday School workers to participate in the regular associational Sunday School meetings and programs in order that our work may be strengthened and that through cooperation, all churches may carry out their divine commission.
3. That the associational Sunday School leadership be urged to:
Enlist a complete organization.
At a clinic, train the associational officers and plan the help for the churches a year in advance.
Plan and direct associational training Schools in February 1960.

Provide regular meetings for training and inspiration of the Sunday school workers in the churches as follows:

Month	*Date*	*Place*	*Suggested Emphasis*
November	24, 1959	Creedmoor	Standard of Excellence
March	1, 1960	Hester	What is Teaching and Aims in Teaching
May	24, 1960	Dexter	Teaching Methods, Using A Lesson Plan, and Evaluating Results
August	23, 1960	Knott's Grove	The 1960-61 Sunday School Program
November	29, 1960	Butner	Standard of Excellence

Respectfully submitted,
Mrs. H. O. Davis

(2) The Report on the Training Union was adopted.

TRAINING UNION

Our Baptist Training Union offers great benefit to each Christian in our Baptist Churches. It trains us in Christian leadership and we learn more about Christ by doing His work. It will give to the new Christian, the old and the young understanding of God's Will.

It is very important for each Training Union to send their quarterly report to the associational director. He needs to know about the work in the association and he needs this information for his report to the State Training Union Dedaptment.

I would like to make the following recommendations:

1. That we encourage all churches to observe Youth Week, either at the time suggested or on some other date.
2. That we observe Baptist Associational Youth Night, April 9 or some other more suitable date, the date to be set by the Training Union Executive Committee.
3. That we make a special effort to have more of our churches represented in the Training Union Tournaments.

We now have Training Unions in 14 churches in the association with an enrolment of 1,041.

We would like to challenge each pastor and church without a Training Union to start this organization in their church.

Respectfully submitted,
Cecil Keith

(3) The Report of the Woman's Missionary Union was adopted.

WOMAN'S MISSIONARY UNION

The WMU of Flat River Association has advanced in every phase of the work. The women have accepted and entered into the Five Year Jubilee Advance

with enthusiasm. Many of our churches have emphasized Christian witnessing, using the book "Christian Witnessing" by Dr. Floy Barnard.

I am happy to report that every church is using the Calendar of Prayer with their programs. As a result of their efforts each special offering has doubled the amount of previous years. Emphasis has been placed on Community Missions, Mission Study, Stewardship and Leadership Training. Our associational officers attended the workshop for associational WMU Leaders at Southeastern Seminary. Your associational president attended WMU Week at Ridgecrest.

There have been increases reported in YWA, GA and Sunbeam Band work. There has been increase in reading Mission Study books by our youth and our women. Subscriptions to Royal Service and Tell magazines have increased.

Teaching and practicing tithing is a vital part of WMU. We need more tithers in our organizations.

The associational president expresses appreciation to our pastors in promoting weeks of prayer and stewardship programs in our churches.

Respectfully submitted,
Mrs. Brodie O'Brian

(4) The Report of the Brotherhood was adopted.

THE BAPTIST BROTHERHOOD

The active participation by men in the program of the church is one of the most encouraging signs of our day. There are more men engaged in working, giving, and going for World Missions than at any time in the history of the church. This is true, largely, because of the challenge which has been presented to them through Brotherhood and Royal Ambassador programs. Special seasons of prayer and offerings for missions have become church-wide rather than a program for a single organization. The laymen of our churches are sharing in the pastors' keen interest for the salvation of the lost people in their own communities. The number of men who are willing and who possess the skill of witnessing to lost men is increasing every day. More men are capable of teaching and leading in the organizations of the church. Yet there are many men who are not enlisted. About 75 per cent of the men on our church rolls are still inactive. They are the Brotherhood's greatest challenge.

The purpose of the Brotherhood is to discover men and their talents and to enlist them in every phase of the program of the church and denomination. The Brotherhood seeks to accomplish this purpose by offering programs and activities in an atmosphere of fellowship, study, and action. Programs and activities are planned in four major areas: Evangelism, Stewardship, Cooperative Program or World Missions, and Royal Ambassadors.

Printed materials are available from two sources: Free materials may be ordered from the Brotherhood Department, Baptist Building, 301 Hillsboro Street, Raleigh, North Carolina; priced materials are purchased from the Brotherhood Commission, 1548 Poplar Avenue, Memphis, Tennessee. It is suggested that every church provide for the following priced materials in their budget:

"The Brotherhood Journal" (for each Brotherhood member)
"The Ambassador Life" (for each Royal Ambassador)

"The Ambassador Leader" (for each Royal Amabassador counselor)
The Brotherhood Department is planning a program of intensive training during 1960. Regional clinics will be provided for associational leadership and associational clinics will be conducted for church leaders in Brotherhood and Royal Ambassadors. The new Brotherhood Secretary, Clyde L. Davis, Sr., and the Royal Ambassador Secretary, B. W. Jackson, earnestly solicit your prayers for them as they seek to lead in this program.

Respectfully submitted,
Bruce M. Guerrant
President

(5) The Report on Evangelism was adopted.

EVANGELISM

The command of Jesus to us is, "Go ye therefore, and teach all nations, baptizing them in the name of the Father, and of the Son, and of the Holy Ghost: teaching them to observe all things whatsoever I have commanded you: and lo, I am with you always, even unto the end of the world." (Matthew 28:19-20). Jesus here summed up God's purpose in the world and the objectives toward which His people must ever move in full dedication if they are to be in His will.

The purpose of God in which He uses His people is the evangelization of the world. Evangelization means "Making disciples," "Baptizing them", and "Teaching them" to be obedient to Christ in "all things" He has commanded. Thus a person is not evangelized until he becomes an evangelist. Therefore, evangelism is to make disciples and to nurture them. This is God's purpose and plan for His people in the world.

In the great commission Jesus said, "Go" and "Teach" them with the purpose of making disciples and then teaching them to be obedient to Christ in all things. The only imperative in all these mighty words of action is "to make disciples" or to teach with the purpose of making disciples. Thus Jesus puts soul-winning first in His total program with a definite command. In every church or associational program, soul-winning should be in the forefront in order to be in the full will of Christ. This order is a divine order. Any individual or church that changes this order is disobedient to Christ, and therefore cannot expect His full power and blessing upon the efforts put forth.

During the years 1959-1964, in the Jubilee Advance, Baptists of North America are making an effort to be obedient to the Great Commission by putting Soul-winning first in their programs. In 1959 it appears that real progress has been made in this direction. Reports received in the office of evangelism in Raleigh indicate that Simultaneous Evangelistic Crusades over the State were the most fruitful ever. Figures show about 15,000 baptisms, 20,000 total additions, and that more than 2,000 young people offered their lives for full-time Christian vocations.

The Flat River Association reports on the 1959 Crusade reveal the following facts:

1. There were 217 additions to the churches by baptism.

2. There were 213 additions by transfer of letters, or a total of 430 additions. This is a decrease of 138 under 1958.

In order to have a well balanced program of evangelism in our association, let us resolve to do the following three things:

1. Conduct at least one clinic on evangelism, striving to have at least 75% of all Churches and Pastors participating.

2. Make definite plans for a simultaneous Crusade with every church possible participating during next year.

3. Endeavor to have a soul-winning program in every church in the association.

Respectfully submitted,
A. S. Lamm

(6) The Report of the Associational Missions Committee was adopted.

MISSIONS COMMITTEE

We report to you not so much the work of our committee as a word concerning our association's interest in furthering the gospel through missions:

1. Last May, sponsored by the Oxford Baptist Church, the Delrayno Baptist Chapel began meeting in the Masonic Temple. Attendance has averaged in Sunday School 57, in Morning Worship 80, in Training Union 18, and in Evening Worship 27. The Rev. Tom Jones is leading this new work as pastor. The Oxford Baptist Church is underwriting the expenses which amount to about $250.00 a month, and which are supplemented with $75.00 per month from the Baptist State Convention State Mission Funds.

2. Plans are fast nearing completion for our Schools of Missions which we shall have in April of 1960. As of now 26 of our churches are signed up to participate.

3. We rejoice in the increases noted in the special offerings for home, state, and foreign missions.

4. We also note that according to our letters to the association, our gifts through the Cooperative Program have been $3.55 per person for our association during the past year. We have a definite need for increased support here.

5. We urge your support of our association, state, and southwide efforts to inform our people of the needs of the world. This is a program which should not only include our women and their efforts, but is the privilege of every Christian; men and women in our churches, devoted to winning the world to Christ.

Respectfully submitted,
W. A. Mitchiner, Chairman

(7) The Report of the Director of Music was adopted.

CHURCH MUSIC MINISTRY REPORT

Music and religion have always been closely associated. Wherever there are churches we find music. Its effectiveness depends largely upon the manner and degree in which it is used. A Music Ministry within the church is organized for the purpose of developing a comprehensive church music education program which will offer participation to all and will magnify worship, promote religious education and evangelism, and benefit all ages and organizations.

A very fine Music Ministry can be developed by lay workers who are willing to give the time and effort necessary for an effective program. Many, many helps are available, and most of them are free.

From the office of our state Music Secretary, Mr. Joseph O. Stroud you can obtain free pamphlets on the organization of choirs for any age group, helps on music and worship, devotional programs based on the Hymns of the Month, a new one on music for children (ages 4 and 5), and an excellent one on Music in the Home. These and many others are yours for the asking.

There is also an excellent series of study course books available from our Baptist Book Store. Many of them are brand new or recently revised to give you the most up-to-date, practical information. Among them are such titles as Church Music Manual, which deals with the overall program, Song Leading, Hymn Playing, The Beginning Music Reader (these three are brand new books), The Beginning Vocalist, and The Beginning Organist. There are also books available for the Progressing and Advanced Vocalist.

Please don't forget The Church Musician, our monthly church music publication. It can be ordered with your regular literature order and is full of good articles, suggested plans for conducting children's choir rehearsals, music for every age group, and many other fine items.

Let us acquaint ourselves with the materials available for our use and put them into practice in our churches that we may respond to the psalmist's admonition: "Let the people praise Thee, O God. Let all the people praise Thee."

Respectfully submitted,
Roy Scoggins

(8) The Report of the Audio-Visual Aids Director was adopted.

AUDIO-VISUAL AIDS REPORT FOR FLAT RIVER ASSOCIATION

The aim of every Christian and our combined effort of Christian endeavor is to reach more people effectively with the Gospel of Jesus Christ. Rightly utilized, Visual Aids can be used as God-given tools with great power for reaching human hearts with God's message.

We are rapidly loosing, if we have not completely lost already, the concept that pictures and films are for entertaining purposes only. Educational institutions are employing such a tool because their findings reveal that learners retain more that is seen than what is heard or read. Such a fact should challenge us as

bearers of God's message to use the best possible method to achieve our God-given task. Visual aids are to be used as instruments to help us attain definite objectives in the teaching ministry of our churches.

Through our State Department of Audio Visual Aids, there are pictures, slides, film strips, as well as some motion pictures that are sent upon the asking to any church or group. The Department does not have a program of any sort to offer our churches. More important, it seeks to strengthen and undergird the existing program already set in motion in our churches. These films or filmstrips can be reserved by writing:

Mr. L. J. Morriss
Department of Audio-Visual Aids
Baptist State Convention of North Carolina
Baptist Building, 301 Hillsboro Street
Raleigh, North Carolina

The only expense on the part of the church would be in returning this by mail.

The Ministry, a division of promotion, is divided into the following areas:

1. Seeking to promote an adequate library of both 35mm filmstrips and 16mm sound motion pictures in support of the total Baptist Program. There are film titles to cover all areas of Baptist work such as: Sunday School, Training Union, Brotherhood, Home and Foreign Missions, Children activities and other such work.

2. The Department produces each year several 35mm filmstrips and motion pictures to cover special areas of Baptist Work in the state. For instance, one of particular interest for us would be ADDING LIFE TO YEARS, depicting the ministry of the Baptist homes for the aged in North Carolina. Another to be released soon is a dramatic story of the ministry of Chowan College called: OPPORTUNITY UNLIMITED.

3. Workshops for the association are planned each year upon request. They are designed to meet the needs of every Church leader and pastor.

4. Counseling services with pastors and committees are available throughout the year. This would deal with the right types of equipment to purchase in carrying out the church program.

5. Special tape recordings as presented at the annual convention and the conference of Evangelism are made available each year on a cost basis to the churches of the convention each year.

6. "In support of the total Baptist program, the Department of Audio Visual Aids assist all departments and special committees with lay-out and related pictures for programs, brochures and posters." The department has "provided many of the pictures appearing in the Biblical Recorder to give emphasis to the Baptist program. Charts and diagrams have been prepared for several departments for special presentations at Clinics, Conventions and campaigns. The chart and bulletin insert on the Cooperative Program have been prepared and made available through the Promotion Department on a free basis to the churches. Graphic arts is one of the major services of (this) staff."

7. The department seeks to cooperate with every agency of the Southern Baptist Convention. This is for the promotion of major emphasis of each group at the time scheduled on the Baptist calendar.

NOTE OF SPECIAL INTEREST

Students who are pastors are able to check out of the Library at Southeastern Seminary such films and filmstrips as may be desired at no cost.

Our association office works closely with the state department and we have some films in this office. When films are not available through the office, the equipment for using such will be at your service if you have occasion to use them by securing your films elsewhere.

We have catalogues available today for the different churches. Get yours and browse through it early so as to be familiar to what is available for you.

Respectfully submitted,
Roy Cantrell

13. Hymn: "Take the Name of Jesus With You"
14. The Report of the Executive Committee was adopted.

REPORT OF THE EXECUTIVE COMMITTEE

A year ago the Association adopted a new constitution which made a new make-up of the Executive Committee. It is now composed of all the officers of the Association, all the Pastors of the Association and one lay person from each church to be elected by the church.

It is very probable that some churches did not understand and did not elect their representative. This may account for the fact that two of the quarterly meetings required by the constitution could transact no business, for we lacked a quorum of twenty people present. We would urge the churches to elect the representative and notify the associational missionary the name of the person who has been elected.

Among the decisions made in your behalf by the Executive Committee were these:

1. The election of The Reverend Albert Lamm as Chairman of the Evangelism Committee, upon the leaving of the Rev. J. C. Jones, and the election of Miss Lila Piper as Associational Clerk on the leaving of the Rev. W. J. Edwards.
2. A decision to elect a historian and three trustees for the Association, with request of the Nominating Committee to plan these nominations.
3. That the same committee who studied the advisability of erecting a home for the Associational Missionary be asked to serve as the Building Committee. Their report last year was accepted and the churches were asked to consider sending an amount equal to 50¢ per resident member for the Building Fund, over and above the regular contribution for the Associational Program. Very few, if any, of the churches have followed through on this. The committee named for the building are J. R. Perkinson, Chairman, Victor Montague, Harold O'Brian, W. H. Anderson, and Miss Bea Clayton. (Mrs. Gray Rogers of Franklinton Church was on the committee, but is no longer in our Association).
4. Meetings of the Association's Executive Committee was changed to meet on Monday evenings rather than Tuesday. The quarterly Sunday School and Training Union meetings will continue to be held on Tuesday night.
5. Churches were asked to make contributions toward the heavy expenses of our Brother E. G. Usry who was in the hospital. Before the contributions were made, Brother Usry was taken to be with his Master. Since insurance

and funds on hand were enough to care for these expenses and the funeral, the churches were asked what disposition they desired made of their contributions. Each church was asked to indicate (1). That their money go toward the Missionary Home (2). That their money go as a memorial to Brother Usry in the West Oxford Church or (3). That the money be returned to the church. Our Treasurer's report will no doubt include what was done with this fund. At the last report the churches designated $248.81 to West Oxford Church; $188.84 to Missionary Home; $25.00 to general Assn. fund and $175.35 was not designated.

Since even when we think we have a Constitution that is complete, we discover often as we use it some needed corrections or additions. The Executive Committee recommends these changes in the Constitution. Sinc it is required that this be in writing to you on the first day of the Association, to be voted the second day, there are copies of these constitutional changes in your hands.

1. That each place the words "W.M.U. Superintendent" appears it be made to read "W.M.U. President", to bring it in keeping with the title now being used for this office in W.M.U.

2. In Article 6, Section 1, after the words "All officers of the Association" insert the words, "The chairman of all standing committees of the Association", making these chairmen members of the Executive Committee.

3. In Article 7, section 2, change it to read: "The Nominating Committee named at the Annual Associational meeting shall nominate all officers during the year, including the nominees to be elected at the following meeting. The Sunday School Superintendent, Training Union Director, W.M.U. President and Brotherhood President shall be nominated for election by the Executive Committee at its July meeting. Other officers, Clerk, Treasurer, Auditor, Director of Church Music, Director of Audio-visual aids, Historian, three Trustees, any other officer the association may decide it needs, and the following representatives who will report to the annual association . . . " then follows a listing of those to report.

The Executive Committee voted the interpretation of the constitution's reading to be to the effect that all standing committees elected at this association begin functioning at the close of this annual session and will serve through the annual session of next year. This is true of the Moderator and other officers, and it is felt that this will clarify who is responsible during the year.

The Association has been strengthened during the year with the addition of several new pastors. They are the Reverend Oren Elms at Tabbs Creek and Sharon; the Reverend Charles Ray Frye at Creedmoor; the Reverend Bob Shepherd at Bullock and Rock Springs; the Reverend Larry Roberts at Olive Grove; the Reverend Clyde Pearson at Island Creek; the Reverend Tom Jones at the Delrayno Chapel of Oxford Baptists; the Reverend Stephen Warden at Knott's Grove; and the Reverend James Lewis at Pleasant Grove. Churches now without a pastor are Mountain Creek, Grassy Creek, Dexter, Poplar Creek and Tally Ho.

At the last meeting of the Executive Committee, the resignation of Mrs. Mertie Davis as Associational Missionary was regretfully accepted. During the three years of her work in our Association, we have all come to love her, as was expressed by all the churches at the time of her wedding to Mr. Oliver Davis. Her quiet, gracious and helpful manner has won for her a warm spot in the affections of all the churches, and we are grateful to God that she will continue to be a part of our Association.

A committee composed of Sam C. Hall, Rev. Albert Lamm and Rev. Curtis Knowles was named by the Executive Committee, and will later in this session suggest appropriate recognition of our love and appreciation for Mrs. Davis.

A committee composed of W. A. Mitchiner, Chairman, Mrs. Brodie O'Brian, Mrs. Leslie Blackwell, Rev. L. W. Smith and Rev. Clyde Pearson was named to recommend to the Association the future course we should pursue in our Associational program. They will report to us later in this session.

We have real cause for rejoicing in the wonderful spirit of cooperation being manifest in our Association. Much progress is in evidence in all the churches. Our offerings for Missionary objects have increased. Mrs. O'Brian told us the Home Mission offering was a 39% increase over last year. We confidently face the future for Christ.

Looming before us now are three important dates in our churches: The January Bible Study, an Association-wide Recreation Conference to be led by Miss Adele Carlson of the Sunday School Board March 28-31, and the Schools of Missions beginning in 26 of our churches on Easter Sunday, April 17. Of these you will hear more during these sessions of our meeting.

Together we are stronger than any could be alone. God grant us all a spirit of Christian love one for the other.

Respectfully submitted,
Herbert W. Baucom, Jr., Chairman,
Executive Committee

REPORT OF SPECIAL COMMITTEE ON ASSOCIATIONAL PROGRAM

Upon the resignation of Mrs. Davis as our Associational Missionary our committee was appointed to suggest the direction our Associational work should take. In following our assignment and trying to find the Lord's will for us, we have made investigation and bring to you our report.

Since the suggestion had been made by the newly formed W. R. Cullom Association that we consider the possibility of our having a missionary jointly with them, we met with the Moderator and the committee of the Cullom Association.

We explored together the advantages and disadvantages of our jointly having a worker. Each association is to have a similar report giving the comparison of the two possibilities. It is apparent that for approximately $1,340.00 additional expenses by each association, each could maintain its own full time program.

We are therefore presenting the comparative budgets, followed by certain recommendations and suggestions.

1. Our first recommendation is that we continue on having a full-time program in our association.
2. We further recommend that the association adopt a complete job-analysis concerning the worker, and name a committee whose responsibility it would be to employ a worker, supervise and advise the missionary in behalf of the Association.
3. Should the Flat River Association choose a half-time worker jointly with the Cullom Association, that the committee suggested above be empowered to confer with the committee of the Cullom Association in employing and advising with the missionary.

In the thinking of our committee, our suggestions concerning the worker, are these:

1. That we seek a well qualified man for the position.
2. That his responsibilities, broadly speaking, be these:
   (1). He will vigorously plan and promote the associational Sunday School Training Union, Brotherhood, W.M.U. work, working in a co-director capacity with the presidents of these organizations.
   (2). He will work closely with the Pastor's Conference, keeping the associational work constantly before them.
   (3). He shall inaugurate and suggest programs, institutes, study courses on group and associational basis concerning stewardship, missions, evangelism, teacher training and anything that will strengthen our churches in their ministries.

(4). He will give assistance to the churches in their programs even to the point of offering or suggesting his help, but never without the knowledge and approval of the pastor.
(5). He shall work closely with the clerk in the preparation of the Associational Minutes, and with the Treasurer in keeping the churches informed on their contributions.
(6). His relation with the pastors shall be a fraternal one, and he will not be considered a free supply preacher for the churches, however if he should be free on a Sunday and a pastor wishes to invite him to supply the pulpit in his absence, he may use his own judgment at this point, being careful that he does not appear too often in one church to the neglect of the others.
(7). For supply work or other remunerative work within the association any compensation shall be considered a contribution to the Associational Program.
(8). He shall be free to accept invitations outside the Association for the equivalent of one week in the spring and one week in the fall. Any compensation will be his own.
(9). He shall have two weeks vacation in addition to the weeks at Ridgecrest and Caswell to which Associational Missionaries are invited.
(10). His attendance at conferences shall be cleared with the Associational Missionary Committee.

(2) The Annual Budget for the Association—a carryover item from Item 17 was adopted following the decision to continue a full-time program.
21. The Rev. L. W. Smith, pastor of the Providence Church was recognized for welcome and announcements.
22. Hymn: "O For a Thousand Tongues to Sing."
23. The Annual Associational Sermon was given by the Rev. Albert S. Lamm, pastor of the West Oxford Baptist Church. His topic was "The Christian Experience," based upon Acts 2:12.
24. Benediction and Prayer of Thanks for the noon meal was given by the Rev. A. S. Lamm.

29. REPORTS:
(1) The Report on the Cooperative Program was adopted.

THE COOPERATIVE PROGRAM

The Cooperative Program is the best plan ever found by Baptists to support all the work they are undertaking to do in obedience to the commands of our Lord Jesus Christ. Through it many millions of dollars are given each year by grateful Baptists to maintain the work of state missions, Christian education, hospitals, seminaries, home missions throughout our nations and foreign missions in nearly forty nations of the world. Many more millions of dollars are given gladly each year through this unified plan of support than could possibly have been secured through any possible plans of special solicitation for all of the causes.

The promotion plans are developed jointly by those who represent the several states and the several causes, so that there is unity in the presentation of the causes to the churches. Thus, we have a force which greatly contributes to the unity of Baptists in each state and in the Southern Baptist Convention.

The Cooperative Program is achieving more for missions each year. The first year of the Cooperative Program, 1926, the states reported $4,604,174 in distributable funds through the Cooperative Program, for state and SBC causes. In 1958, 32 years later, the total receipts through the Cooperative Program reported by the states amounted to $42,929,283. In our state of North Carolina, $2,207,000 of the above amount was for all our state causes. Flat River Baptist Association contributed in 1958-59 $35,815.87 through the Cooperative Program and $23,068.58 as Designated gifts. Most of our churches are waking to the fact that the Cooperative Program is the best means of providing for the needs of all our work.

Recommendation: That all our churches in this association give loyal and undivided support to all our Baptist mission work through the Cooperative Program.

Respectfully submitted,
Leon B. Perkinson

(2) The Report on State Missions was adopted.

STATE MISSIONS REPORT FOR 1959

State Missions is a missionary effort on the part of North Carolina Baptists to reach the unsaved for Christ and to enlist, teach, and train the saved in giving and serving through the churches throughout the world. There are 4,600,000 people in North Carolina with only about 2,100,00 above the age of eight affiliated with any kind of church. About 2,000,000 people above the age of eight are unchurched making North Carolina only half Christian. We have 880,000 Baptists in North Carolina and approximately 60% of this number are not dedicated to their Christian profession, which means that the other 40% face a real challenge in promoting this undeveloped area.

Since over one-half of our population is lost and needs to find the Saviour, State Missions provides a Department of Evangelism that seeks to inspire Pastors and their churches to evangelize their communities and let it spread into a world-wide effort. Since organizing this department, baptisms have greatly increased

with North Carolina having 34,833 in 1958; being second to Texas. Six out of ten churches in North Carolina have been assisted in many ways through State Missions. Aid has gone out to help provide buildings and sites for new churches thus providing salaries for a hundred or more pastors.

State Missions provides Pastors' Schools and Refresher Courses for our pastors which have been well attended. The colored people make up a large percentage of our population and State Missions seeks to minister to these people through the Department of Interracial Cooperation. Baptist is the major denomination in North Carolina and should be leading in winning these people to Christ, but the Catholics are working very hard in this group.

Approximately 3,000 silent people beckon for our care, love, and concern. Missions seeks to give aid in every possible way.

Other ministries provided by State Missions are Summer Student Work, Ministry Through Service Institutions, Separation of Church and State, and Pastoral Care. The Assembly Camps were filled during the summer. Approximately 8,000 people attended and many decisions were made for Christ and for full-time Christian vocations.

Total State Missions needs are $627,000 to supply the twenty ministries which this department promotes and supports. Each ministry is separate yet all working for the same goal; to promote and provide ways that the larger part of our North Carolina people might be saved through Christ, our Lord. Let us all prayerfully meet the challenge before us that God's will might be done continually.

Respectfully submitted,
Carl D. Blake

31. Greetings were brought by Dr. Albert Meiburg, representing the N. C. Baptist Hospital.
32. "The Forward Program of Church Finance" was discussed by J. R. Perkinson.
33. MISCELLANEOUS BUSINESS:
    (1) The Rev. Curtis Knowles reported for the Special Committee to form resolutions of appreciation for the services of Mrs. H. Oliver Davis, who had recently resigned as Associational Missionary.

We the members of the Flat River Baptist Association would like to express our gratitude to Mrs. Oliver Davis by saying a job well done. It seems to us that an Associational Missionary should promote missions. This we feel that Mrs. Davis has done in a wonderful way. Under her leadership, the Woman's Missionary Union has been strengthened in every phase of its activities. She has led the work to greater success in every Union. The offerings of last year speak to that fact. Her work with the Training Union has been effective, also. There have been 2 new Training Unions organized, and some unions that were about to fail have been revitalized. Mrs. Davis has taught numerous study courses, and has served as a teacher in various departments of Vacation Bible School, in several of our churches. All our churches had Vacation Bible School including the mission. The associational Sunday School program has begun to

grow under her leadership. She has worked long and hard with committees to get officers who are capable and will do a good job. For this we are grateful.

Besides all these things Mrs. Davis has typed and sent out thousands of associational reports. She has started in our association the practice of having our reports of the work of the Association typed for our convenience, a copy of which you have in your hands today. This we all will admit is a vital service.

The idea of a mission was born in the mission committee of the Oxford Baptist Church. It was taken to the Association for approval, and the Oxford Church accepted the responsibility of becoming the mother church. Mrs. Davis attended most of the pastor's conferences to encourage the pastors to lead their churches to greater participation in the associational work and of mission mindness. We now have a thriving mission, Delrayno Chapel. It is the first mission organized in our association in several years.

Mrs. Davis has carried on and helped strengthen our radio program, The Flat River Baptist Hour. It goes into many homes of our county with information about associational meetings and is always an inspirational message.

Let us not be unmindful of her work and travel in promoting associational work, but let us be even more mindful of her prayers for the work and her devotion to the work of her Saviour Jesus Christ.

We as an Association accept her resignation. We accept it with a prayer in our hearts that God will continue to use her in His work. Mrs. Davis can be assured that she will be in our prayers often. The Flat River Baptist Association will be eternally grateful for her work in the Lord.

We recommend that the minutes of the Flat River Baptist Association for this year be dedicated to her as an act of our appreciation of her faithful work.

We also recommend that this letter be published in our associational minutes and in the Oxford Public Ledger.

Respectfully submitted,
N. Curtis Knowles

39. REPORTS OF BAPTIST STATE WORK:
    (1) The Report on the Baptist State Hospital was adopted.

REPORT ON THE NORTH CAROLINA BAPTIST HOSPITAL

Our Baptist Hospital seeks to serve our people with a complete program of specialized medical care for all who need it. Our people go in great numbers, with all types of serious illness, from all walks of life, and in all financial circumstances, to receive the ministry of our Baptist medical center. A constant effort is made to keep it personal and Christian in its care of sick people.

Last year Service Patients from 95 counties of the State made over 66,000 visits to the 31 clinics of the Out-Patient Department, which is open to families not able to pay the full cost of their medical care. About the same number of office

visits was made by Private or full-pay patients. More than 16,000 sick persons were hospitalized for 132,000 days of bed care.

Forty per cent of the hospital service is rendered the patients who go to the Out-Patient Clinics or who enter the hospital through the Out-Patient Department. The services of the physicians are free to all these patients, but the hospital charges must be paid unless other arrangements are made by the family.

Last year the hospital spent well over one million dollars in the care of these Service Patients. The Mother's Day Fund, along with the welfare funds and assistance from other agencies and foundations, enables the hospital to provide more than half of this service free for our very poor people. The Mother's Day Fund alone, however, has not covered the full cost of the care of even the most needy.

We need to lay upon the hearts of our members the necessity of the Mother's Day Fund, if our Baptist Hospital is to provide this important service for our poorer people.

SHARE AND CARE FOR THE NEEDY SICK

Mrs. Casper Critcher

(2) The Report on North Carolina Baptist Homes was adopted.

HOMES FOR THE AGING

The ninth year of operation of the Baptist Homes for Aging began March 16, 1959. All three of the homes—Resthaven, Albemarle, and Headquarters—have had a good year, and have been filled practically all the year to capacity—119, counting residents and helpers. When vacancies occur, there are far more applicants on the waiting list than there are rooms to be filled.

Since the average age of the resident is about 80 years, there were several deaths during the year, as might be expected. Among the deceased was the oldest resident, "Uncle" John T. Holt, formerly of Wilson Mills, N. C. He died July 13, being 99 years of age. Had he lived until February 26, 1960, he would have been ONE-HUNDRED YEARS of age. He was a resident of the Homes about eight years, and for the past two years was a patient in the infirmary of the Headquarters Building. He was, indeed, a great soul, and all connected with the Homes keenly miss him.

This has been another year of God's favor upon the Homes and of encouraging progress. While the campaign to raise funds to build the fourth Home in Eastern Carolina, at Hamilton, has not been completed, yet there is good reason to believe that the money will be secured this year and construction will begin. Dr. Don G. Matthews of Hamilton has given the land for the site, and most of the $50,000 which he promised. He is ready to give the balance when the extra $100,000 has been raised. With reorganization of plans and persistent effort, the balance needed can and will be forthcoming.

Architectural plans and specifications for the enlargement of the infirmary at Headquarters, Winston-Salem, have been prepared, and construction of 28 addi-

tional bedrooms should begin by September or October. Extra room in the infirmary is the pressing need now.

It brings much joy to report that all indebtedness incurred with construction of the Headquarters Buildings has been paid, and that the three Homes—Resthaven, Albemarle, and Headquarters Building—are free from debt, thanks to our Lord and friends of the Homes who have helped to make this possible.

The pressing needs of the Homes for Aging now are (1) to finish raising funds to start construction of the Hamilton Home, and (2) to raise about $75,000 to cover the balance needed to pay for the additional facilities in the infirmary expansion. So, a total amount of $150,000 must be raised, therefore, to finish these two projects. When they are completed, 60 more bedrooms will be added for anxious and needy residents, thus increasing the total capacity of all the Homes to 170 residents.

Would you like to have a generous part in helping to make these plans become a reality at the earliest possible date? If so, please let us hear from you at once. Why not furnish, or endow, or construct a room with your gift? If you are not able to do as much, send the amount you are able to give to N. C. Baptist Homes, Inc., Reynolds Park Road, Winston-Salem, N. C., and your gift will be used as you may instruct.

All connected with the N. C. Baptist Homes are most grateful to the churches, individuals, and corporations for the help given to offer our aging friends who live in the Homes a program of security, comfort, congeniality, and a Christian ministry. Surely the words of our Lord, "Inasmuch as ye have done it unto one of the last of these my brethren, ye have done it unto me," are applicable to those who make such services possible.

Respectfully submitted,
Stephen T. Knott

(3) The Report on North Carolina Baptist Children's Homes was adopted.

REPORT ON CHILDREN'S HOMES

North Carolina Baptists have shown remarkable interest in their Children's Homes during the past year. Numerous church groups have visited the three campuses. Continued financial support has been encouraging. Awakened interest in your Child Care program has been evidenced in many respects.

During the past year members of the Children's Homes staff, under the best leadership available, have engaged themselves in a conscientious study of the entire Child Care program sponsored by North Carolina Baptist. Every effort is being made by the present administration to continue the best care possible for dependent children.

More than 1,000 boys and girls were served by the Children's Homes during the past year. Mills Home, Kennedy Home, and Odum Home provided care for 547 children while 197 lived in Foster Homes. Through Financial assistance of the Mothers Aid program 40 children were able to live with their mothers. Supervision and financial help were afforded 30 college students. Resourceful

case workers assisted 214 additional children to find homes with relatives and other social service agencies.

Three cottages are currently under construction—one at each of the three Homes. The Roy Culler family of High Point is providing funds for a boys cottage at Mills Home. The H. C. Ferebee family of Camden is making possible a cottage for girls at Kennedy Home. The new cottage at Pembroke will provide administrative offices, living accommodations as well as kitchen and dining facilities for the Indian boys and girls.

Vernon S. Sparrow became Superintendent at Mills Home, Thomasville, July 1, 1959. Prior to Mr. Sparrow's going to Mills Home he served as associate pastor and minister of education in the First Baptist Church of Lenoir.

Significant recommendations relative to the Children's Homes were adopted by the Baptist State Convention in May following a two and a half year study by the Committee of Twenty-Five. They are as follows:

1. That the number of children in foster home care be increased to approximate the number in institutional care.
2. That the Children's Homes begin to develop new types of programs to help children who are not being adequately cared for in other ways.
3. That increased attention be given to families throughout the state by well-trained, mature case work consultants to help avoid family breakdowns.

The Convention has voted to bring the Children's Homes into the Cooperative Program on the same basis as all other institutions and objects. Churches may continue to send Once-A-Month offerings and special gifts. Designated gifts from churches to the Children's Homes will be administered by the Convention in the same manner as designated gifts from churches to other institutions. The Homes are encouraged with this improved financial relationship with the Convention. For lack of sufficient income the Homes operated on a $22,000 deficit in 1958. The deficit for 1959 will be approximately $65,000. The only way the Homes have of meeting the $65,000 deficit this year is through a substantial increase in the Thanksgiving Offering.

With the increase in population, the development of industry, the growth of cities and the mounting tensions in present day society, there is an increasing demand for services to dependent children. Your Children's Homes are being asked by the Convention to expand their services. With your prayers, loyal and generous support, your leadership will continue to move forward as resources are made available.

Respectfully submitted,
Mrs. Franklin Gill

(4) The Report on Christian Literature was adopted.

REPORT ON CHRISTIAN LITERATURE

"Blessed is He that Readeth" is a phrase of Scripture that could well be used as a theme for our 1959 report on Christian Literature. We know that the church member that neglects the reading of God's Word, that neglects the reading of Christian literature is a weak church member. The world is at the fingertips

of the person who opens the printed page to read. Science, religion, art, history, fiction, medicine, world happenings are all waiting for us to grasp their truths if we would only read. To read that which enriches the soul adds to the individuals witness for our Master.

We as Christians, as Baptists, should seek the blessings that are in store for those who read good, wholesome reading material. Select with care your reading, cast aside that which is degrading. Bad literature is very plentiful and our time is too precious to spend indulging in that—every page of it carries seeds of evil, its perpetrators are using every subtle idea they can to get this into your home and into the hands of your children.

If we would know our denomination and its world mission program we must read. Baptists must be well-informed if they are to keep up with the fastmoving pace of this day in which we live. The BIBLICAL RECORDER is the North Carolina publication that will bring this information into your home each week and YOU should be receiving it. We also have many other publications available that present our Baptist program in an outstanding way, such as The CHARITY AND CHILDREN that brings news of our Children's Homes; The Commission that makes foreign missions real; The HOME MISSION MAGAZINE, whose very name tells its message; HOME LIFE and many others prepared for our various age groups and organizations.

Several of our churches receive The Biblical Recorder under the every family plan. I am sure that all of the Flat River churches have some subscriptions in their membership but we do so need to increase that subscription list. The way to do it is to be sure that your name is on the list. In my church there are some deacons, some church officers, some Sunday School teachers who do not receive it. I wonder if that is true in your church. There is a lot that all of us do not know! There is a lot that some of us will never know about our denominational work if we do not make an effort to learn. We have not yet found any way so effective in imparting Baptist knowledge as the regular reading of our state paper, THE BIBLICAL RECORDER.

Lila Piper

41. Hymn: "Higher Ground"
42. The Report on Christian Education was adopted.
    (1) Dr. A. R. Burkott, Dean of Campbell College spoke on "Our Baptist Program of Higher Education."

CHRISTIAN EDUCATION

In this report we are considering Christian Education in terms of our seven Baptist Colleges in North Carolina—Wake Forest, Chowan, Mars Hill, Campbell, Wingate, Meredith, and Gardner Webb.

It should be noted that progress in our North Carolina Baptist program of

higher education has not been in the number of institutions, but in the changes made within the seven institutions which have been in operation for more than half a century. Fortunately, the geographical distribution of these colleges throughout our state makes one of them fairly close to all of our Baptist young people. Time does not permit to review the growth of each of these seven colleges, but we would remind you that as a group they now constitute a program of higher education second only to Texas among all the states in our Southern Baptist Convention territory. In these seven colleges are enrolled each year nearly 8,000 students, or more than one-eighth of all college students in North Carolina. The annual operating budgets total more than $10,000,000 of which our Baptist people, through church offerings, provide approximately five percent. Students, through tuition and fees, pay approximately 60 percent and the remaining 35 percent comes from endowment gifts.

Perhaps the most significant development in the work of our colleges in this present year is the action of our Baptist people in adopting the report of the Convention Committee of 25 as it relates not only to the colleges but to all other Baptist institutions and agencies. We would urge all our people to read this report carefully as it relates to these colleges. It does not recommend the addition of any new college at present, but it emphasizes the necessity for our recognizing the increasing demands upon these colleges which can be met only through growth in all respects. The committee recommends that consideration be given to the possibility of changing the status of some of the two-year colleges to four-year colleges, and already progress is being made in this respect.

These Baptist colleges will continue to be faced with the competition of all other colleges in both the quality of their work and the growing costs of operation and expansion. Our college young people must be convinced that they are as the best, and that these Baptist colleges provide them what present-day young people expect and demand in a college community. As Baptist church leaders and parents of these young people, we want our colleges to be Christian and to present a positive Christian witness at all times and in all respects; but we cannot stop here and expect to attract our young people. Such matters as cost, scholarships, athletics, etc. will be determining factors.

As Baptists, we must love our colleges to the point of understanding them and their importance in all departments of our work. If we love them and believe in them we shall see that they are given sufficient money to become the kind of college that will attract our young people.

For the third year our Christian Education emphasis was observed on Fathers Day, Sunday, June 21. The response this year has been most encouraging, both by the wide use of the various promotional materials prepared and in the offerings on Father's Day. It is our hope that the observance of this annual emphasis will result in a better understanding of these colleges and their importance in our work, as well as added financial aid sufficient to meet the ever increasing costs of operating these colleges. Every possible effort must be made to keep the charges to students as low as possible. Many of our finest Baptist young people are among our lower income families and find it difficult to meet the costs of a college education. We are providing for only one of every four Baptist youth going to college; and it is doubtful that we shall be able to maintain this ratio with the coming tidal wave of college students, nearly one-half of whom will be our Baptist young people.

It is the earnest desire of our North Carolina Baptist Council on Christian Education that we be alert in all our Baptist Churches to recognize and direct promising young people into one of these Baptist Colleges.

As pastors, parents and church leaders, we should face these facts courageously and lead our people in meeting this great but not impossible challenge.

Respectfully submitted,
Mrs. Brodie Jones

43. "The Work of the General Board" was discussed by the Rev. Albert S. Lamm, a member of the Board.
44. The Report on Christian Citizenship was adopted.
    (1) Corporal J. E. Rawls of the State Highway Patrol spoke to the association on "Moral Problems of Our Day."

REPORT ON CHRISTIAN CITIZENSHIP

"As for me and my house, we will serve the Lord", declared Joshua, great warrior and leader of the children of Israel. (Joshua 24:15) The Hebrew Nation, lead by Joshua, had just experienced a vital and significant event in their history, the conquest of Canaan. Serving the Lord in sincerity and faithfulness was and would continue to be the secret of their success.

America today stands at a vital and significant place in her history. We are living in a "grand and awful time." The eyes of the world are upon us. The battle looms not between visible but invisible forces, not between armaments but the ideologies of a godless state as opposed to the ideals and teachings of Jesus Christ.

According to a compilation of church statistics by the Bureau of Research and Survey of the National Council of Churches, Church Membership in the United States reached an all-time high in 1958; Sunday and Sabbath School enrollment increased; more money was spent for new construction of religious buildings; per member contributions were larger. But what does this mean in the light of the following: Obscene literature flooding the land and corrupting youth; the number of alcoholics increased forty-five to fifty percent in eighteen years; over one hundred thousand more alcoholic beverage outlets than churches and synagogues; 382 persons in the United States killed last Christmas by drunken drivers; 4¢ out of every dollar spent for alcoholic beverage; crimes of rape, aggravated assault, murder, theft are at an all time high; much is heard of crime and corruption in high places; about one-fourth as many divorces as weddings and the disturbing fact in the Kinsey reports of the high incidence of unfaithfulness among married men and women; racial conflicts prevail throughout the country; more people in the world today under the leadership of Communism in less than forty years, than under the leadership of Christianity after two thousand years.

What an awful indictment of the people who call themselves "Christians". Now as never before God's people need to stand up and be counted. To declare not merely church membership, but loyalty and allegiance to Jesus Christ and His Kingdom. The Christian Citizen must declare himself by word and deed in every realm of life. He must take his stand on the evils in our land and the world today. Purity of filth; sobriety or drunkeness; morality or immorality; righteousness or corruption; love or hate; freedom or slavery.

"Then the people answered, Far be it from us that we should forsake the Lord, to serve other gods". (Joshua 24:16) God gives us the courage and the vision to follow in their train.

46. REPORTS:
    (1) The Report on the Relief and Annuity Board was adopted.

RELIEF AND ANNUITY BOARD

1959 ASSOCIATIONAL REPORT

—BENEFITS PAID—

More than 5,300 retired or disabled ministers and denominational workers or widows are receiving benefits from the Annuity Board. Approximately 1300 of these are on the relief rolls and receive a share of the $325,000 from the Cooperative Program designated for this work. The others receive a monthly check provided through their participation in one of the Board's protection plans. Total benefits paid out in 1958 were $2,414,767.90.

—NEW MEMBERS—

Certificates were issued to 3,113 new members in all the Board's protection plans in 1958. This is a 27% increase over the previous year. The Southern Baptist Protection Plan showed the largest increase, 1,548 new members. A total of 1,047 new churches and employers were enlisted during 1958.

—PROMOTION—

Even with the increase in new members as recorded above, there are still more than 60% of our Southern Baptist pastors not covered by the Annuity Board's protection program. Until this percentage is greatly reduced or eliminated completely, the Board is not fulfilling its purpose of providing security and protection for every Southern Baptist minister and church. During 1958 officers of the Board met with leaders of every state convention seeking a solution to this problem. As a result of these meetings, the Annuity Board is asking the local church's help in seeing that every pastor and church has this protection. Each church is being asked to enroll its pastor in the protection plan, paying two-thirds of the cost of the plan. The state convention has already agreed to pay the other one-third for every pastor in its state.

When every church does this, the Board's ministry will be what it is meant to be, protection program for the entire Southern Baptist ministry, and not just for a small percentage of pastors.

—INVESTMENTS—

The soundness of the Board's financial structure is reflected by the report from its Investment Department. Income from investments in 1958 totaled $2,424,377.92. Of the Board's assets, 98.25% was invested in income producing investments in 1958. The Board's newest investment endeavor is a 15-story

office building in downtown Dallas completed last June. Two full floors and part of a third floor are being used for the Board's headquarters. The remaining space has been leased to business firms. Income from the building will be added to protection plan reserves.

(2) The Report on the Home Mission Board was adopted.

HOME MISSIONS

Striking advances in missions and evangelism were made in 1958 by Southern Baptist Churches working through the Home Mission Board.

Dr. Courts Redford, executive secretary-treasurer, reports that on May 1, 1959, the number of mission personel reached the all-time high of 1,386. In addition about 450 student summer missionaries, and 382 Southern Baptist chaplains were on active duty. During 1958 your home missionaries saw 41,859 professions of faith and the chaplains reported 11,203 professions of faith. Home missionaries led in the constituting of 399 new churches and 564 new missions during the year. Your home missionaries entered 30 new fields in language missions.

A most significant advance was the reorganization of the board. Five divisions were formed to unify, strengthen, and correlate the work. The division heads are: Arthur Rutledge, Missions Division; Leonard Sanderson, Evangelism Division; L. O. Griffith, Education and Promotion Division; G. Frank Garrison, Church Loans Division; Alfred Carpenter, Chaplains Division. This reorganization necessitated the election of the following to the Home Mission Board Staff: Arthur Rutledge, Glendon McCullough, secretary, department of personnel; J. C. Durham, Jr., secretary, department of promotion; James Peck, secretary, institutional and industrial chaplains; Fred Moseley, secretary, department of city missions. Earlier in the year, Vernon Yearby joined the evangelism division as an associate.

The Home Mission Board is increasing its co-operation with state boards. A new plan of full co-operation in language missions was adopted by the Home Mission Board and Texas.

Cuba and Panama continue to make progress toward self-support.

The need for mission work in the pioneer areas was recognized by the Survey Committee in its report to the convention this year. In Chicago, the mission strategy is to enclose the downtown area with a ring of Southern Baptist Churches.

In this way we use less expensive property and we follow the pattern of the people themselves. Six units of this ring are now complete.

In New York, the Manhatten Baptist Church now has a new home and in just a little over a year has three missions. New Southern Baptist work has begun in metropolitan areas. There are now 68 City Mission Programs throughout the Convention and plans are to add five more during the next few months.

The Church Loan Fund has been increased to push forward the Home Mission Board's participation in the 30,000 Movement. Pastoral aid, extended by the Board, is a key factor in the establishment of new missions and churches.

The Home Mission Board has made unusual progress toward achieving its Jubilee goals. In fact some of the goals are now being revised upward in order to present a greater challenge. 1958 was a year of prayer, and millions of Southern Baptists signed soul-winning commitment cards. Over 29,000 churches participated in the Simultaneous Crusades in 1959. Extensive plans are being made to expand the program of conserving the results of evangelism.

Evangelism—personal witnessing—was the theme of the 1959 Home Mission Graded Study Series. The books had a circultion of over 335,000. The number of churches conducting Schools of Missions increased to 2,500.

Two how-to-do-it filmstrips were produced on evangelism; one on the 30,000 Movement. Heavy emphasis was given to evangelism in HOME Missions magazine. Four sermons in sound and the sign language were filmed for the deaf.

Southern Baptist Convention growth is home missions progress. Southern Baptists in this year have their greatest opportunity in the influence of their churches through the Home Mission Board to claim our land for Christ.

Mrs. Dan Weldon

FOREIGN MISSIONS

"We have now entered the era of the Baptist Jubilee Advance. From now until the close of 1964, prayer, effort, and thought will be concentrated upon moving forward in every aspect of our world task."

—Dr. Baker James Cauthen

Our ministry in world missions has doubled in the last ten years. We entered 1959 with 1283 missionaries. This year plans for the appointment of 140 are being fulfilled. Because of expansion, growth, and the challenge to meet a real need, a commodious and beautiful building, dedicated to God and humanity, has been erected in Richmond, Virginia. This building stands as a missionary achievement of Southern Baptists. The prayers, gifts, and love of God's people across the convention have brought this building into reality.

"Freely ye have received, freely give." Only by sharing in the spirit of Him who gave and taught us to pray, "Thy Will be done," can we in any measure meet the needs of a world lost in sin. If Gods chosen are to win against forces of evil, we must speed up and strengthen our home base, beginning here and going to the uttermost parts of the world. Jesus said, "If ye love me keep my commandments." It is not the will of our heavenly father that one should perish. So many barriers exist, and only through love and understanding can these be summounted. Jesus said, "Ye shall be my witnesses."

Hugh and Rebecca Knott McKinley, Southern Rodesia and Ralph and Rosalind Knott Harrell, Tanganyika E. A., send greetings to Flat River—They have spent almost a year studying the African language and they have successfully passed oral and written examinations. They are well and happy in their work. They appreciate everything that has been done to make their going possible. May we be much in prayer for them.

Financial reinforcements are noted. Gifts have increased but not in proportion to the need and the tremendous increase in population. Percentagewise the world is more non Christian each year. Will we be a part of the "TWO PLUS PLAN" which is good; or better, will we give as God has blessed us?

Exclusive of the Lottie Moon Chirstmas Offering, Southern Baptists gave only $1.67 per capita to Foreign Missions in 1958. However there was a marked increase in this special foreign mission offering, both in our association and the Southern Baptist Convention. A minimum increase of $500,000 will be necessary in 1960 to take care of the present missionary advance.

"Will a man rob God? Yet ye have robbed me in tithes and offerings. Ye are cursed with a curse for ye have robbed me, even this whole nation. Bring ye all the tithes into the store house that there may be meat in mine house, and prove me now herewith saith the Lord of hosts, if I will not open you the windows of heaven, and pour you out a blessing, that there shall not be room enough to receive it." (Malachi 3:8-10)

We march beneath the banner of a conqueroring Christ who has the answer to every need of our distraught world today. Will we obey His Commands?

Respectfully submitted,
Mrs. Sterling Carrington

AUXILIARY MEETING

PROCEEDINGS OF THE ANNUAL MEETING OF THE WOMAN'S MISSIONARY UNION

The members of the Woman's Missionary Union of the Flat River Baptist Association held its fiftieth Annual Meeting March 26, 1959 at the Corinth Baptist Church with approximately one hundred fifty W.M.U. members present.

The meeting was called to order by the President, Mrs. Brodie M. O'Brian at 9:45 A. M. and the hymn "Jesus Saves" was sung. Mrs. Frank Averette, host president, welcomed those attending and made announcements. Visitors were recognized by Mrs. O'Brian and Mrs. H. W. 9. REPORT OF OUR ASSOCIATIONAL WORK:

(1) The Report of the Sunday School Work was adopted.

SUNDAY SCHOOL

For this year our Sunday School is reporting 32 Sunday Schools including Delrayno Chapel. Island Creek reports a summer Sunday School at their Kerr Harbor Lakeside Chapel.

Each of these 32 churches reported a Vacation Bible School with an enrolment of 2,503; average attendance of 2,325. There were 24 decisions made for Christ.

We respectfully make the following recommendations:

1. That we adopt for this year the theme—OUTREACH FOR THE UNREACHED.
2. That the Associational Sunday School leadership be urged to enlist a complete organization.
3. Attend a leadership clinic to help prepare them for the year ahead.
4. Provide meetings, quarterly, for the purpose of strengthening our local Sunday School throughout the Association.

We also urge our leaders to place emphasis on:

1. Vacation Bible Schools.
2. Weekly or Monthly Officers and Teachers Council.
3. Systematic visitation and witness.
4. All Sunday School workers attending the Associational meetings.

The next Associational meeting will be held at Butner Baptist Church, November 22, 1960.

Respectfully submitted,
Carl Blake, Supt.

(2) The Report on the Training Union was adopted.

TRAINING UNION

You have heard "the truth hurts." This is not so when we speak of the purpose of Training Union. This is an organization that trains us to be better able to serve. For those people who would say "I cannot," here is an organization that would cause them to say "I can." Added to this, the Training Union will better inform us of the real meaning of Christian living and church membership.

We are glad to report one new Training Union this past year.

We are grateful for the attendance at our Associational Meetings. On "M" Night there were over 300 present. On two other main Training Union Meetings there were over 200 each time.

December 5, 1960, is "M" Night this year. We recommend 500 as the goal for this meeting at the Oxford Baptist Church.

All of the above has been true about Training Union and it did not hurt. But "the truth hurts" sometimes, and part of the record shows it.

We have only 16 Training Unions in our 32 churches. We recommend 32. Being more realistic let us accept the goal from our Promotional Director of 5 new Training Unions to be organized this year.

We had only one Training Union Tournament participant last year. We recommend participation by every Training Union.

The 1959 records show the average attendance in Sunday Schools in our Association was over 4,500 while the average attendance in Training Unions was less than 600. We recommend an increase.

"The truth hurts" sometimes. Let's change to make it better.

Respectfully submitted,
Ray Frye

(3) The Report of the Woman's Missionary Union was adopted.

REPORT OF WOMAN'S MISSIONARY UNION

The purpose of Woman's Missionary Union is to promote Christian Missions in all organizations through a program of Mission Study, Prayer, Community Missions, and Stewardship.

In keeping with Baptist Jubilee Advance, 21 churches made an increase of 12% in all offerings. The Lottie Moon Christmas Offering amounted to $3,205.43. Annie Armstrong offering, $2,536.61. State Mission Offering, $2,279,16. Heck Jones, $1,362.00. There was a gain in organizations observing the weeks of prayer. Also every organization using and promoting use of calendar of prayer. There were 1,304 members reading at least one mission study book last year. All W. M. U., Y. W. A.; G. A. had at least one mission study class taught. Nine organizations had three books taught. The Mission Study Achievement Chart is the suggested Mission Study Program of work for all W. M. U. Organizations in a church. Recognition is given when a

sufficient number of points on the chart have been earned in a year. We have only five churches qualifying for recognition. This is a gain of four over last year. Here also is a worthy goal.

There were only 303 tithers reported which was a loss from last year. Here is a wide open field for enlistment.

The Circulation of all W. M. U. Magazines have increased with two churches having 100% of Members subscribing.

Out of the 29 organizations reporting, 25 reported that the members were busy in Ministries which were for the purpose of helping the bewildered and lost to find their way to God.

We must recognize the potentialities of the Youth of the churches of Flat River Association without G. A., Sunbeams or Y. W. A. organizations. There is a great need for leaders to work with these young people. Lets accept the challenge to enlist them as we organize according to the need.

In considering the forward look our concern must be to enlist the Young Women in our Association in W. M. S.

Our major emphasis for the coming year is leadership training, taking advantage of the leadership courses offered for every organization. Sharing possessions which is our stewardship emphasis. Let's begin by promoting 13% increase for our Lottie Moon Christmas Offering.

It is our hope and prayer that every W. M. S. leader will be motivated this year by love.

Respectfully submitted,
Mrs. Brodie O'Brian
Flat River Associational President

(4) The Report of the Brotherhood President was adopted.

BROTHERHOOD

The Brotherhood made progress this year with two Churches organizing Brotherhoods. Two more of our sister churches are considering. We had three associational meetings and were well represented at the Brotherhood State Convention.

The Brotherhood also changed its organization this year.

Now that the organizational structure has changed, there is a great need for Brotherhoods that make adequate provision for Royal Ambassadors. The rising emphasis upon out-door sports, camping, etc. by other groups is making a strong appeal to our boys. The Royal Ambassador program provides everything offered by other groups plus missionary training. Our churches cannot compete with other groups unless they have outstanding Christian men to lead the Royal Ambassadors. They will never have this much needed Christian male leadership without a Brotherhood which challenges men to give of their time and talents to this cause.

Respectfully submitted,
Bruce Guerrant, President

(5) The Report of the Evangelism Committee was adopted.

EVANGELISM

Jesus said just before His Ascension, "But ye shall receive power, after that the Holy Ghost is come upon you: and ye shall be witnesses unto me both in Jerusalem, and in all Judaea, and in Samaria, and unto the uttermost part of the earth." Acts 1:8. Here we see Jesus leaving the purpose of winning the world in the hands of His witnesses. Coupled with the Great Commission in Matthew 28:19-20, we can see that the task of "Making Disciples" is ours, His witnesses.

However, Jesus does not leave us without a help for our endeavor in evangelism. He promises power. In fact the power is the Holy Ghost who is to be our source of power in evangelizing the world, especially our command is to make disciples here in the Flat River Baptist Association.

In the Great Commission Jesus says, "Go and teach, and make disciples", and in Acts 1:8 He promises the power to get the job done. Therefore, if we can claim these promises, we have ample power to evangelize this association. The goal of baptisms for the state of North Carolina in 1961 has been set at 50,322. This means that each 18 members must win one. Last year our ratio was that each thirty-four won one. We see that we must depend more completely in the power of God. He has promised to be with us if we will be faithful at the task of witnessing. We are to do the witnessing, and God will be responsible for the results. Therefore, let us continue to go forward in these Jubilee Advance years of 1959-64.

The Flat River Association report on evangelism in 1960 reveals the following facts:

1. There were 245 additions to the churches by baptism.
2. There were 209 additions by transfer of letters, or a total of 442 additions in the churches.

In order to have a good program of evangelism in the association, let us resolve to do the following things:

1. Conduct a clinic on evangelism on March 3, 1961 with at least 75% of the churches and pastors participating.
2. Enlist the members of each church in a soul-winning program through a study course on evangelism.
3. Promote perennial soul-winning in all the churches.
4. Try to win at least 375 people to Christ in the churches.
5. For no church to be without a baptism.
6. Promote revivals simultaneously in every church in 1962.

Respectfully submitted,
N. Curtis Knowles, Chm.

(6) The Report of the Missions Committee was adopted.

REPORT OF THE MISSIONS COMMITTEE

During the past year our Association has had an increasing part in World Missions as we have cooperated in trying to further the gospel both at home and around the world.

We rejoice that the establishment and growth of the Delrayno Baptist Chapel, under the leadership of Rev. Tom Jones, has culminated in constituting Delrayno Baptist Church.

The Schools of Missions held in nearly every church in the Association in April of this year proved to be a highlight in the spring program of our churches. Only the passing of time will disclose the lasting benefits which these schools will have in the hearts and lives of those who were reached.

Several members of various churches of our association have had a part in cooperating with churches of other races to assist them in promoting their work.

We commend the Island Creek Baptist Church in the significant work they are doing in sponsoring a mission at Kerr Lake which is called Kerr Harbor Lakeside Chapel. This is one of the 30,000 churches and missions which Southern Baptists are trying to establish by 1964.

We bring to your attention that the 30,000 movement of Southern Baptists is dependent for success upon the combined efforts of all the churches in this and the other associations in the convention. Dr. C. C. Warren, Director of the 30,000 movement, has described a mission to be the efforts of any person or persons sent out from a Baptist church at regular intervals to conduct services.

In the light of the above paragraph we suggest that all our churches elect a missions committee to look out in each community for ways and means of establishing new work.

There are places right now in our association where regular work could be started, such as the County Home, jail, prison camp, Oxford Fire and Police department, hospitals and other places. Each of these places could become one of the 30,000 movements if regular work is started.

We urge our churches to be increasingly aware that the Cooperative Program is the lifeline of missions here and around the world. In order to faithfully present the gospel to whole world we should begin now to increase our Cooperative Program designations by at least two per cent of our total budgets and continue this each year until we are sharing half our gifts through our churches with Christ in all the world.

Respectfully submitted,
W. A. Mitchiner, Chm.

10. The Vice Moderator, Mr. Leon B. Perkinson, was recognized and took the chair while the Moderator, the Rev. Herbert W. Baucom, Jr. read the

Report of the Executive Committee. The report was adopted.

REPORT ON EXECUTIVE COMMITTEE

The first responsibility of the Executive Committee last fall was the filling of the position of Associational Promotional Director. Following the vote of the Associational messengers at the annual meeting, instructing us to continue a full-time worker for our Association alone, after prayerful and careful search we felt led to Mr. Arch Cree. Each church was polled as to their willingness

to financially support this enlarged program, and at a called meeting with most churches represented the representatives reported unanimously to adopt the program and extend a call to Mr. Cree.

Preparing for his coming to us on January 1, the committee instructed by you to either rent or buy a house that could serve as both a home and Associational office, worked diligently. Through the efforts of Mr. Melvin Currin we were able to purchase the home-office now in use, located at 204 Mooreland Drive in Oxford, for $9,500.00 and finance it by a loan without our having to make a cash down-payment.

Under the direction of our Trustees, the garage was remodeled to form a lovely office, joined to the house by a breezeway. This required all the money we had accumulated for a worker's home, plus some more.

Consequently, our greatest concern as an Executive Committee this year has been finances. Some money had to be borrowed to complete the work on the office, and by delaying payment on several bills we were able to survive this most expensive year of our association work. However, in this new year it is essential that we clear up the borrowed money as well as continue to meet the obligations month-by month.

The two other outstanding events of the year between annual sessions were our Church Recreational Workshop at West Oxford with Miss Adele Carlson and our Schools of Missions in most of our churches.

Our work was hampered slightly in that for at least one of the meetings of the Executive Committee attendance was so low we could not transact business of the Association. Please let us stress the importance of attendance by those elected to serve in this capacity, so the Associational work may not suffer.

Gratitude has been felt over the upsurge of interest in the cooperative work in which we are engaged. This is evidence by larger attendance at the Associational Training Union and Sunday School meetings; by more churches organizing Brotherhood, and finally by the response of the churches to the financial needs of our work together.

The Executive Committee recommends to you the adoption of the following matters which have claimed our attention, and which will be presented to you in the course of this annual meeting:

1. Changes in the Constitution of the Association, a part of which changes deal with a re-organization of the Executive Committee and of the Standing Committees of the Association.
2. The adoption of the Associational Calendar of Events, including the having of a one day session in the spring for Inspiration of the churches of the Association.
3. The adoption of the budget as proposed by the Budget Committee.

One final recommendation: Delrayno Baptist Church was established on October 2. Rev. Tom M. Jones was called as their first pastor, and the Oxford Baptist Church presented to them a deed for the ten acre tract of land known as Lake Ray.

This church has applied to the Executive Committee for admission into the Association. According to our constitution, they cannot be admitted as full-fledged members until at least six months have passed, which means the next annual association.

The Executive Committee recommends to you that Delrayno Church be accepted as a candidate for membership, and that they be afforded all the rights

and privileges of membership, pending the passage of time, including representation on the Executive Committee of the Association.

Respectfully submitted,
Herbert W. Baucom, Jr., Moderator

12. The Report of Mr. Arch Cree, the Promotional Director, was adopted.

WITH YOUR PROMOTIONAL DIRECTOR

First of all, speaking for my wife and myself, let me express to you our sincere thanks for the wonderful way in which you have received us into this association. During these nine and one-half months as your Promotional Director, you have done everything possible to make us comfortable and our work with you most pleasant. You have provided us with a comfortable home and a most convenient office. We are indeed grateful to you for all of this.

Now may we look at some of the activities of your Promotional Director and accomplishments of our association:

Upon invitation of the pastor or church, I have spoken at the morning or evening worship hour in 21 churches, on 31 separate occasions. There have been conversions and a number of dedications in these services. I have spoken in a worship service in every church into which I have been invited by appoint-

ment unless I already had a conflicting appointment, and there have been several such instances. Only one appointment has been broken due to illness and one due to another emergency.

I have taught Training Courses in 8 churches and promoted Brotherhood in 9. Two Brotherhoods have been organized this year. I assisted in 4 Vacation Bible Schools, directing two of these, and visited with most of the churches during VBS.

HIGHLIGHTS FOR 1960

1. VBS Clinic in preparation for VBS in our churches.
2. 32 churches engaged in VBS with a report from every church.
3. Prepared and promoted Calendar of Activities with printed programs and bulletins to support the Calendar.
4. Schools of Missions promoted with 27 of 32 churches engaged, Mission Study Institute in preparation (Miss Rebecca Maness, Director).
5. Church Recreation Workshop with Miss Adelle Carlson from Nashville, Tenn. in charge.
6. Flat River Baptist Hour broadcast each Sunday morning.
7. Monthly Associational program promoted by Sunday School or Training Union or Brotherhood.
8. Association-wide Church Brotherhood Officers Clinic on the organization plan, inviting men of the Beulah, Tar River, and Cullum Associations as our guests.
9. Conference with church clerks.
10. Assisted the Program, Budget, and all Nominating Committees.
11. Prepared the Book of Reports for our 1960 Annual Meeting.

15. The Report on Christian Education was adopted.

REPORT ON CHRISTIAN HIGHER EDUCATION

Through a Division of Christian Education in the Baptist State Convention of North Carolina the work of seven Baptist Colleges is being promoted. These colleges are Wake Forest, Meredith, Mars Hill, Gardner-Webb, Wingate, Chowan, and Campbell. In the last year there were enrolled in these seven colleges some 8,100 students. Their annual operating costs were above $10 million, with approximately $500,000 of this coming through the Cooperative Program. An additional $600,000 was provided for capital outlay or plant improvement and expansion.

North Carolina Baptists also promote a program of education much wider in scope than that represented in these seven colleges. In the local churches there are numerous activities along with the Sunday school relating to education. All these activities are promoted through a special division known as Church Programs. Through the Southern Baptist Convention North Carolina Baptists share in the promotion and support of the seven seminaries which are administered through trustees elected by the Southern Baptist Convention.

With these two basic statements about what Southern Baptists are thinking

and doing in Christian Education, let us remind ourselves of some of the rather disturbing statistics on our Baptist young people:

Last Year, 1959, there were graduated from our North Carolina high schools 42,954 students. Of this number there were 32,441 white high school graduates. It is safe to estimate that of this 32,441 graduates 15,000 were Baptists. Almost exactly one out of three enrolled in some college last September, leaving the other two out of three without college training. So of our 15,000 Baptist youth graduating from high school in 1959, 10,000 never enrolled in college. Of this 10,000 ending their education with high school, one-fourth of them were in the upper third of their high school graduating class. Thus, we see that a majority of our Baptist young people will never become ministers, teachers, lawyers, doctors, nor any of the many other professions open only to those having an opportunity to go to college. Of the 8,100 students in our seven colleges last year, 5,000 were Baptist. There were some 13,000 Baptist students in other colleges.

It is believed that by 1970 we shall have in North Carolina not 15,000 white Baptist boys and girls graduating from high school each year but 30,000; and that we may expect a much larger percentage to go to college. It seems conservative to predict that at least 35,000 Baptists young people will go to college in ten years. This is the picture of the situation in North Carolina. What is the situation throughout the entire Southern Baptist Convention?

Baptist colleges now enroll only one out of five Baptist students who attend college in the area of the Southern Baptist Convention. If all Baptist students sought enrollment in Baptist colleges the schools would be hopelessly swamped. There is no prospect that Baptist colleges will ever have enough resources to offer a place to every Baptist student. Therefore, the colleges must try to decide what their maximum registration will be and then make every effort to enroll the best possible students who apply.

Though denominational support is increasing, the institutions are still in great need of new buildings, renovations, salary increases, and larger endowments. In order to try to meet these needs the schools report special campaigns under way amounting to over $90 million.

The faculty is the real heart of a college. Baptist colleges are having to compete with business and industry and the defense effort in recruiting good teachers. The colleges must make every effort to recruit and hold effective and dedicated teachers. Without them the education program of Southern Baptists will be ineffective and will cause the entire program of the denomination to suffer.

This is only a brief sketch of the situation among our Baptist institutions of higher education and with the students who need their ministry. The question confronting us is where and how shall we provide the college training for our boys and girls? Shall we maintain our Baptist colleges merely as they are and ask the state to provide for them through increased taxes, or other denominations to provide for them in their colleges, or would it be better for Baptists to face the facts with vision and courage and provide Christian education for their future leaders? Let us not be afraid to think together and ask God to guide us to do His will in whatever we do.

Respectfully submitted,
Tom M. Jones

19. The Report on Foreign Missions was adopted.

REPORT ON FOREIGN MISSIONS

"How can Southern Baptist answer the roll call for faithful stewards when we gave last year only $1.69 per capita to foreign missions?" asks Dr. Eugene Hill, Secretary for missionary education and promotion for the Southern Baptist Mission Board. Unless Southern Baptists are found faithful as stewards of the tremendous resources God has so generously placed in their hands, all the work committed to them will suffer for lack of money" he says.

In 1946, from all the money that was brought into the local church, 74% stayed in the local church. In 1959, 82% stayed in the local church. When we realize that two-thirds of the peoples of the world do not accept Christ as their Saviour, how can we possibly sit complacently by and not do anything about it?

The figures below are strong and clear—the world needs Christ!—there are only 1453 Southern Baptist missionaries to meet this tremendous challenge!

Look at these figures:
1960 (approximately) 3 billion.
Net increase—1.6 persons per second.
Every year adds nearly 50 million new people.
By Jubilee year, 1964, over 200 million new people.
There are 1½ billion illiterates.
Only 25 million learn to read each year.
1½ billion people annually with medical care.
Nearly 2 billion people are without Christ.
There is only Southern Baptist missionary foreign aid for every 2 million people in the world.

Truly the "fields are white unto the harvest". Let us love God so much that will prove our love and share Him with the whole world through our gifts, our time, our talents, and our children.

Mrs. William A. Mitchiner

28. The Report on Christian Literature was adopted.

REPORT ON CHRISTIAN LITERATURE

Jesus said "Go—Tell". He also instructs us through his inspired writers to "Study to show thyself approved unto God—". We Baptists must keep informed not only through the precious Word of God but also through the printed page of today's activities throughout the world. That is why we must continue to place great emphasis on Christian Literature.

Our Baptist Paper—The Biblical Recorder is of vital importance to us. Every church can benefit greatly by providing this for their members to read regularly each week. An informed church member is better prepared to have a voice in church business, he is also better prepared to use his vote in government affairs, therefore he is a better citizen of both his country and the Kingdom of God. World Missions is the King's business and the Biblical Recorder serves as a link between the local church and World Missions.

The cost of subscription to the Biblical Recorder is so very small that even a four cent stamp will bring it into your home each week for one year where as many as four families will form a "Family Club". In the event of every member of your church subscribing, a three cent stamp will bring it into your home each week for one year.

As we consider further the materials available for our information, I would call your attention to some of the helps published by our Southern Baptist Convention. The Sunday School Builder, Training Union Magazine, Brotherhood Journal, Church Musician, Church Administration, Home Life, The Quarterly Review, The Beam, Church Recreation, Home Mission Magazine, The

Commission, and many others far too numerous to name. Innumeral tracts on many subjects are available free through our Sunday School Board, State Convention and our Association Offices.

Statistics will show that a great many people are reading unsafe, unsound, filthy literature, which is detrimental rather than beneficial to the growth of the mind and soul of man. If we are to proclaim the message of our Lord, we must be clean and strong in mind and spirit. Let us be sure this filthy literature does not find its way into our homes, instead let us provide Christian literature for the nourishment of the mind that will build character, and teach Christian principles.

Respectfully submitted,
Mrs. Arch Cree

35. REPORTS OF INSTITUTIONS IN NORTH CAROLINA:

(1) The Report on the Baptist Hospital was adopted.

REPORT ON NORTH CAROLINA BAPTIST HOSPITAL

The Ministry of our Baptist Hospital touches every area of our state. Last year it served more than 17,000 bed patients, with 150,000 visits being made to the clinics and offices. They came for examinations, medical treatment, skilled surgery, and spiritual guidance. Many of our homes, most of our churches, and almost all of our communities have been served by this ministry of healing. It touches the family life of about a quarter of a million of our people each year.

Sickness is no respector of persons or pocket books. It strikes the rich and poor alike—the widow, the ophan, the aged. There are times when they need such specialized care as that available at our Baptist Hospital. The Mother's Day Fund provides money with which our Hospital gives assistance to those who cannot pay the full cost of their care. Our Hospital almost doubles our gifts with matching funds from welfare agencies and other gifts. In addition to this, the medical staff gives its services without charge to all service patients, except for available insurance payments.

Probably we should ask ourselves if we as Christians should provide such a ministry for our needy, sick neighbors. Jesus and the New Testament writers give us the answer. But do we really want such a ministry? It cannot be provided except at great cost. Our Hospital receives about 3¾% of our Co-operative Program funds for payments on the buildings, purchase of expensive equipment, such as heart-lung machines, and for the Department of Pastoral Care. Our Mother's Day Fund provides the money to help pay the hospital bills of needy, sick persons. The amount of this fund determines for the most part the amount of help our Hospital can give.

If we are serious about this ministry which was so close to the heart of our Lord, and want our Hospital to give help when our people need it, we are going to have to become serious about our giving to the Mother's Day Fund. Our Hospital is facing a grave financial problem, and if it is to give free service we are going to have to contribute the money to finance the program.

The only way we can support this work is to plan for it, to make somebody in each church responsible for it, to let our people know about the need, and to challenge them to give of their means. Some of our churches over the state have been doing this, and our people have demonstrated that when this is done they will provide the necessary support. We come to ask you to do it in your church—not for the hospital, but for sick people who are in need.

Respectfully submitted,
Mrs. Casper Critcher

(2) The Report on the Baptist Homes for the Aging was adopted.

REPORT ON BAPTIST HOMES FOR THE AGING

On July 1, 1960, James M. Hayes, Gods' gift to the Homes For the Aging, relinquished the heavy and challenging responsibilities of the office of general

superintendent to his successor William A. Poole. No man could have worked harder or accomplished more than this dedicated man of God, in the 9 years the Homes have been in operation.

The new superintendent is deligently at work, and is finding a solid foundation on which to build and expand the ministry to the aging in our midst.

God has greatly blessed the efforts of the Baptist in North Carolina and it is with great joy that we report, that the new infirmary annex constructed at a cost of $193,000, and with 28 new rooms, will be in use September 1, 1960. It is hoped that the construction of the proposed new Hamilton Home can be started by the late summer, with facilities for around 30 additional residents.

There are 60 applicants on the waiting list, with new ones pouring in daily, with a total of 106 residents in the three homes. Resthaven, 20; Albemarle, 34; Headquarters, 52. Even with the new facilities, it is not unrealistic to say that we could fill rooms up to 500 in the next 2 years. Great things are attempted for God, and great things are expected from God as plans are made for the ever-growing number of the aging, who need the loving care of North Carolina Baptist.

One of the life-lines of the work is the vital relationship with the pastors and churches of our convention. The work could not be carried on without this tie that binds.

During the fiscal year, October 1, 1959 to August 1, 1960, gifts from the churches have amounted to $82,521.20 of which—$76,352.70 was contributed through Special Day offering in February. This amount was $123,000 short of the goal of $200,000, however all connected with the N. C. Baptist Homes are grateful to God and everyone who had a part in contributing to this worthy cause.

Mixed emotions is expressed in the Homes, as we rejoiced with Aunt Fannie Drumright on her 99th birthday anniversary in July, and we were saddened by the deaths of Miss Lillie Herring in October, 1959, Mrs. Mary Holder in April, Mrs. T. J. Castevens in June, and Mrs. Annie Smith in July.

The Homes welcome visitors from the fellow Baptist at any time, as they stand ready to render the service that God has called them to render to the aging. There is nothing to hinder any needy aging person, going to the N. C. Baptist Homes, except lack of space. Would you like to have a part in making the needed space available? If so give generously, that this space may become a reality, at an early date.

Send your contributions to North Carolina Baptist Homes, Inc., Reynolds Park Road, Winston-Salem, North Carolina.

Respectfully submitted,
Mrs. T. T. Hughes, Sr.

(3) The Report on Homes for Children was adopted.

REPORT ON CHILDREN'S HOMES

North Carolina Baptists, recognizing the dignity and worth of boys and girls, have placed upon the Baptist Children's Homes of North Carolina, Inc., the responsibility for helping boys and girls have opportunities which they would

not otherwise have. A long time ago the majority of the children coming under our care had lost their parents and were called orphans. With the great improvements made in medical service and good hospital care, people are living longer; and therefore, children are able to remain in their own homes. We do not believe that a child should have to leave his own home and live somewhere else because of poverty alone; therefore, aid in the home and Social Security have made it possible for many children to grow up in their own homes.

Baptist Children's Homes of North Carolina, Inc. is owned and operated by the Baptist State Convention and is governed by a Board of Trustees consisting of 18 members elected by the Baptist State Convention of North Carolina. It renders service to the dependent and neglected white children of the state in three types of child care; namely, Institutional Care, Aid in the Home, and Foster Home Care.

The Baptist Children's Homes has been developing a foster home program because it recognizes the needs of children differ. Some children can profit by the group experiences; others need more individual services. Therefore, the Baptist Children's Home incorporate a foster home program that provides home care for children. The homes used must be licensed by the State Department of Public Welfare, and the Baptist Children's Homes assumes the supervision and financial responsibility for children in the homes. The experience of a warm personal relationship is important to normal child development. These homes are located throughout the entire state. The foster home may provide the needed experience of a personal relationship for:

1. the child of pre-school age
2. the child who has no family ties.
3. the child who needs more individual care.

The multiple-service Child Care Program of North Carolina Baptists as carried on by the Baptist Children's Homes requires steady and a liberal financial support. Our people have been generous in their support across the years—for this we are deeply grateful.

Sources of income for 1960:

Cooperative Program 31.5 per cent

Thanksgiving Offering 31.1 per cent

Once-A-Month Offering 21.9 per cent

Endowment, designated support of children, and special gifts 15.5 per cent.

The number of children for whom we are able to provide care is determined by our financial resources. We can, through the Foster Homes Program, care for an unlimited number of children at a reasonable cost per child.

The Baptist State Convention has placed upon the Children's Homes the responsibility of caring for an increasing number of children whose needs are not being met. Generous and consistent giving by North Carolina Baptists will make this possible.

For 74 years North Carolina Baptists have provided care for dependent children. With your prayers and material support, the Baptist Children's Homes of North Carolina will continue their Christ-ordained ministry to dependent children.

Mrs. Franklin Gill

41. REPORTS:

(1) The Report on the Cooperative Program was adopted.

COOPERATIVE PROGRAM

The Cooperative Program is the channel through which North Carolina Baptists support the world ministry committed to them by Christ in the Great Commission. With gifts through the Cooperative Program the individual Baptist and church share in the denomination's program of witnessing, teaching, healing and preaching at home and to the ends of the earth.

The Cooperative Program is the love of God in action; the hands of Christ at work.

The individual Christian makes his contribution through his church, the church as a whole deciding what portion shall be given to all denominational causes through the Cooperative Program.

Contributions are sent to the State Convention office in Raleigh, and there

divided between State and Southern Convention causes according to the instruction of the Baptist State Convention of North Carolina.

Funds for state causes are distributed on basis of the budget adopted by the Baptist State Convention of North Carolina.

Funds for Southern Baptist Convention causes are sent to the Executive Convention in Nashville, Tennessee, and distributed to the various causes on the basis of the budget adopted by the Southern Convention.

For 1960 a budget of $4,100,000 has been set up for North Carolina Baptists, of this amount, North Carolina has been allotted 66 2/3% or $2,733,333, and worldwide causes has been allotted 33 1/3% or $1,366,667. These funds keep our colleges going, our orphans clothed and fed, our elderly citizens happy and satisfied, our Baptist Hospital operating on a high level, and many other important missions in the state as well as helping to spread the gospel to the ends of the earth.

So each individual Christian in one gift may share in our total World Mission Program.

Every individual Christian will worship with tithes and offerings each Lord's Day as he is led an enlightened conscience and the Spirit of God.

Churches are urged to adopt a budget and to include the Cooperative Program on the basis of a definite percentage.

In planning new budgets each year churches are encouraged to increase the percentage of the total budget allocated for World Missions through the Cooperative Program by at least 2 percentage points until as much is given for World Missions as for local ministries.

Respectfully submitted,
Leon Perkinson

STATE MISSIONS

"*Advance* with *Christ* through *Missions* in North Carolina—!"

What a challenge to achieve something constructive in today's uneasy world—this is our opportunity NOW as Baptists in our state undertake to worship God with an *"over and above"* offering of $200,000 for STATE MISSIONS!

The command of Jesus to be "Witnesses in Jerusalem—in all Judea—Samaria—to the ends of the earth," (Acts 1:8), is still ours today. *North Carolina is our "Judea".* Every Baptist can be a missionary NOW to more than two million lost people in North Carolina by having a worthy part in the Special Offering for STATE MISSIONS which is taken in your church annually.

What we have known in the past as "State Missions" is now divided into three main divisions—The Division of Missions; The Division of Evangelism; and The Division of Church Programs.

WHO CAN MEASURE—

1. the basic work of Evangelism?
2. teacher training and effective Sunday Schools?
3. the impact of development of the individual through B.T.U.?

4. improving standards of worship inspired by the Department of Church Music?
5. better planned and more effective use of church plants?
6. the over-all impact of the Church Development Department?
7. the contribution of Fruitland Bible Institute in training Pastors who now serve our state?
8. the ever-growing Christian understanding in the field of Interracial Co-operation working with Negroes, Indians and other races?
9. the work of the Brotherhood and Royal Ambassadors?
10. the Student work for our young men and women on the campuses of *all* of our colleges and universities?

All these ministries are STATE MISSIONS—dependent on our gifts through the Cooperative Program and the Special STATE MISSIONS Offering.

Perhaps the most thrilling and challenging activity in STATE MISSIONS in North Carolina just now is our part in the Southern Baptist Movement for 30,000 New Churches and Missions as a part of the Baptist Jubilee Advance culminating in the establishment of 10,000 New Churches and 20,000 Missions by the Jubilee Year of 1964! Surveys indicate a need for at least 600 New Churches in our state—NOW!

Aid in the purchase of strategic sites for erection of churches is being extended by STATE MISSIONS. This year the Division of Missions has been allocated $60,000 for this purpose. Dr. E. L. Spivey's office has on file today, requests for more than $200,000 for the purchase of church lots. The length to which we can go in meeting the back-log requests for more than $140,000 for church lots depends on what we do NOW toward our 1960 $200,000 Goal for STATE MISSIONS!

More than $60,000 annually is expended for financial support for Associational Missionaries.

Increase and expansion of the vital and all important work of STATE MISSIONS awaits the dedication of North Carolina Baptists and the sharing of our material possessions in a greater way.

Respectfully submitted,
Stephen Warden, Representative

42. ADDRESS: The Rev. R. T. Green addressed the Association on, "Our Task in North Carolina."

43. Hymn: "O God, Our Help in Ages Past"

44. The Report on Home Missions was adopted.

REPORT ON HOME MISSIONS

Southern Baptists support a missionary force of more than 2000 on home mission fields according to Courts Redford, Executive Secretary of the Home Mission Board, Atlanta, Georgia. In addition there were 470 student summer missionaries. These missionaries reported 44,649 professions of faith in 1959.

Redford attributed the gain in personnel over the previous year to sixteen

cooperative agreements between state conventions and the Home Mission Board, thus combining financial and personnel resources for a unified, evangelistic, and missionary program within the states.

The Annie Armstrong offering and the Cooperative Program provided $4,151,389.58 for home mission work during 1959. Our own association gave $4,164 according to minutes.

A major emphasis of home mission work, which is active in all states, has been seven programs outlined by Redford as: evangelism, church loans, chaplaincy, pioneer and associational missions, city missions, National Baptist, and language group missions.

Loans to Pioneer Missionary endeavor stepped up to almost $2,000,000 and 155 loans were made during 1959. The Southern Baptist Convention has made $4,000,000 available to the Board for loans for the next five-year period.

Seattle, Washington became the fourth major city included in "Big Cities." Funds have been appropriated for church sites, also emphasis on Juvenile rehabilitation, Jewish work and mission centers. We are ever pushing westward where need is so great.

More than ten thousand new churches and missions have been started by May 1960. We trust the goal of 30,000 may be reached by 1964. Truly 1959 was a year of prayer, evangelism, soul winning, and enlistment.

More than half of our home missionaries work with language groups, deaf and a great host of migrants in the United States, Cuba, Panama, the Canal Zone and islands. We pray our work in Cuba may be strengthened and the Christian faith may prevail even in this troubled hour.

The Home Mission Board has become a part of the Southern Baptist teletype network connecting 25 Baptist offices in 19 cities. Much literature and new films have been produced and distributed thus joining in closer unity assemblies and camps. May schools of missions were held.

There are 71 workers employed by our Home Board, who work in fields of education and mission institutions for Negroes. Integration is the problem now. We pray we may trust God for guidance and commit our ways to His ways.

Let us be much in prayer for our home land. May we listen to the still small voice and heed His calling.

Respectfully submitted,
Mrs. Sterling Carrington

(3) The Report of the Obituary Committee was read by Mrs. Oliver Davis in the absence of Mrs. Calvin Frazier and the assembly stood in memory of our Beloved Dead as their names were read.

THE CROSS WAS HIS OWN

They borrowed a bed to lay His head
When Christ the Lord came down;
They borrowed the ass in the mountain pass
For Him to ride to town;
But the crown that He wore and the Cross that He bore
Were His own—
The Cross was His own.

He borrowed the bread when the crowd he fed
On the grassy mountain side,
He borrowed the dish of broken fish
With which he satisfied.
But the crown that He wore and the Cross that He bore
Were His own—
The Cross was His own.

He borrowed the ship in which to sit
To teach the multitude;
He borrowed a nest in which to rest—
He never had a home so rude;
But the crown that He wore and the cross that He bore
Were His own—
The Cross was His own.

He borrowed a room on His way to the tomb
The Passover Lamb to eat.
They borrowed a cave for Him a grave,
They borrowed a winding sheet.
But the crown that He wore and the Cross that He bore
Were His own—
The Cross was His own.

The thorns on His head were worn in my stead,
For me the Savior died;
For guilt of my sin the nails drove in
When Him they crucified.
Though the crown that He wore and the Cross that He bore
Were His own—
They rightly were mine—instead.

54. The Report on the Annuity Board was adopted.

REPORT ON ANNUITY BOARD

The Southern Baptist Convention has entrusted the Annuity Board with the responsibility of caring for our pastors and their families in the days of need and anxiety. This program of protection is called The Southern Baptist Protection Plan.

The Southern Baptist Protection Plan provides financial help in the time of death, disability, and retirement. The Board is there to serve in time of sorrow, if the church is in the Protection Plan. In case of the pastors death, his widow would receive an income from the Board as long as she lived or until she remarried. The Board is there to serve in time of sickness, if the church is in the retirement plan. In case of disability, the pastor would receive a monthly check from the Board as long as he was disabled. The Board is there to serve at retirement, if the church is in the retirement plan. At age 65, the pastor can receive his regular annuity as long as he lives. He can not outlive this protection. A church can have all of this protection for the pastor if the church is in the Southern Baptist Protection Plan.

We urge all churches to contribute to the work of the Annuity Board. The cost to the church is only 10% of the pastors salary. For instance: $400.00 a year is as much as this program will cost any church who is paying their pastor $4,000.00 a year salary. If all our churches contribute, then all our pastors

At present, 13 churches in our association contribute to this phase of our work. This is a denominational program and deserves the support of all the churches. The Baptist State Convention of North Carolina is launching an in- will be protected and all of our churches carrying out the command of our Lord. tensive campaign to enlist at least 300 additional churches this year. We recommend that our association adopt our share of this as a goal and that we urge all our deacons and Brotherhood members to present this program to their churches as soon as possible.

We also suggest that one of our monthly Associational Meetings or Brotherhood Meetings be given to the discussion of this phase of our denominational work.

Churches desiring further information should contact members of the Annuity Committee, the Associational Missionary, or Tom Greene, Baptist Building, Raleigh, North Carolina, who is the Director of the Annuity Board work in North Carolina. He will be happy to present this matter to any local church desiring his help.

Respectfully submitted,
Frank Campbell

55. ADDRESS: The Rev. R. T. Green of the Baptist State Convention spoke on the work of the Annuity Board.

56. The Report on Christian Citizenship was adopted.

REPORT ON CHRISTIAN CITIZENSHIP

Privilege brings responsibility. How easily we take for granted the privilege of living in this land of freedom forgetting that we have responsibility as well as freedom. An Argentine writer attributes the failure of democratic government to the fact that the people have never been transformed by their religion. He has noted that the countries that have made a success of democracy have passed through a definite religious preparation for political responsibility.

In an article by Walter E. Isenhour in a recent issue of the Recorder, he asks: "Can American liberty survive?". Yes, he says, if our American people will get out of their sleepy state, arouse themselves, shake off their indifference, turn from their lukewarmness and seek God in honesty and absolute sincerity.

The Christian Citizen will exercise honestly, intelligently and fairly his privilege and responsibility of voting, and able Christian men and women should seek public office when capabilities and circumstances so indicate.

The Christian Citizen will respect and obey the laws of the land, not only the major laws regarding robbery and murder, but the minor, but not less vital traffic laws, game laws, laws prohibiting fraud, false advertising, padding payrolls and expense accounts, pilfering, false income tax returns, dishonest business deals.

It is the responsibility of every citizen who believes in decent literature to help ban the obscene and replace it with the wholesome.

The Christian Citizen is constrained to use his influence for total abstinence as long as alcoholism is a major problem, when drunken drivers cost 2 billion

dollars annually in insurance premiums and the social drinker is the most dangerous in the category of alcohol users.

The Christian Citizen will not fall down and worship the idol of Sex Glorification embracing the false doctrine of bliss and happiness pictured as resulting from the illicit love affair so rampant in the land.

The Christian Citizen will face squarely in the light of his Lord's teachings the question of race relations and with God's help and grace will rise above racial prejudice.

The Christian Citizen with God's help will seek to build a Christian Home and Community leading his children and neighbors by Christian precept and example.

Christian Citizen, cast your lot, your life, your influence, your money and your vote on the side of godliness, righteousness and holiness and keep America free.

Respectfully submitted,
Mrs. Lonnie Nelms

AUXILIARY MEETING

PROCEEDINGS OF THE ANNUAL MEETING OF THE

WOMAN'S MISSIONARY UNION

The fifty-first Annual Meeting of the Flat River Baptist Association Woman's Missionary Union was held on April 7, 1960 with the Rock Spring Baptist Church as hostess. The meeting was held in the nearby Townsville High School.

The meeting was called to order by the President, Mrs. Brodie O'Brian at 4:30 P. M. The theme of the meeting was "Doers of the Word". After the singing of "All Hail the Power of Jesus Name", Mr. Arch Cree the Associational Promotional Director offered prayer and Mrs. George Wilson, the Rock Spring President, welcomed those attending. Mrs. Bob Shepherd led the devotions with special music by Mrs. Luther Currin.

In the business session the motion was carried stating that all Associational

W.M.U. officers would enter into the duties of their office on October 1st of each year instead of in April as had been done heretofore. The roll call of churches by the Secretary, Mrs. Frank Walker showed that 21 churches were represented and the Treasurer's report gave a balance of $303.52. The Time and Place Committee reported that the Leadership Conference would be held at the Butner Church in September and the Annual meeting for 1961 would meet with the Creedmoor Church. The Nominating committee presented the names of two new officers: Mrs. Frank Campbell as G. A. Director, and Mrs. L. W. Smith as Sunbeam Band Director. These were elected, and Mrs. Lonnie Nelms led a dedication service. Features of the afternoon's program were a skit by the Executive Committee entitled "Doers of the Word" and Miss Sara Ann Hobbs, State Y. W. A. Director addressed the meeting on "Teach Them".

In the evening session beginning at 7:00 Mrs. W. A. Mitchiner, the State Stewardship Chairman, addressed the assembly and Miss Elizabeth Watkins, Missionary to Japan, brought the Missions address on, "Look On the Fields."

The Annual Leadership Conference was held with the Butner Church on September 26, 1960 beginning at 4:30 in the afternoon and 24 churches had representatives present. Conferences were led by the Associational officers on all phases of Woman's Missionary Union.

Respectfully submitted,
Dorothy Walker,
Secretary and Treasurer
of Flat River W.M.U.
